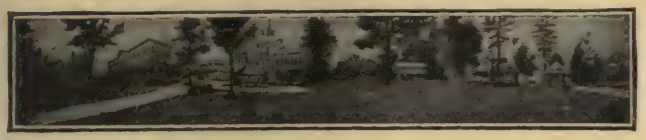
FOR KEY TO SPECIALTIES, ABBREVIATIONS, SYMBOLS, ETC., SEE PAGES 6 AND 7; SPECIAL SOCIETIES, SEE PAGE 78

KEY TO SPECIALTIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS A MEMBER (1) OF A CONSTITUENT STATE ASSOCIATION, (2) OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) IS A TEACHER IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:



S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology.
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.
I★—Internal Medicine.
T—Tuberculosis.
Anes—Anesthesia.
CP—Clinical Pathology.
R—Roentgenology.
Path—Pathology.
Bact—Bacteriology.
PH★—Public Health.

WHEN THE ABBREVIATION DESIGNATING A SPECIALTY IS FOLLOWED BY AN ASTERISK (★) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WTHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

RIVER CREST SANITARIUM

ASTORIA, Long Island
NEW YORK CITY

THE GLEN SPRINGS

WATKINS GLEN, N. Y.
ON SENECA LAKE

WM. E. LEFFINGWELL, President

THE Pioneer American "cure" for Heart Disorders. It is the only place in America where the Nauheim Baths, long famous in the health resorts of Europe, for heart and circulatory disorders, are given with a natural calcium chloride brine. Its baths, diagnostic laboratories, x-ray and scientific treatments, under the direction of physicians, are particularly adapted to heart disease, circulatory, kidney, nutritional and nervous disorders, rheumatism, gout, and obesity.

Illustrated Booklets on Request

BROADOAKS SANATORIUM

MORGANTON - - NORTH CAROLINA

ISAAC M. TAYLOR, M. D., Supt.
JAMES W. VERNON, M. D., Associate

A Private Hospital for the treatment of Nervous and Mental Diseases, Inebriety and Drug Habits.

A home for permanent care of SELECTED CASES of

CHRONIC NERVOUS AND MENTAL DISEASES

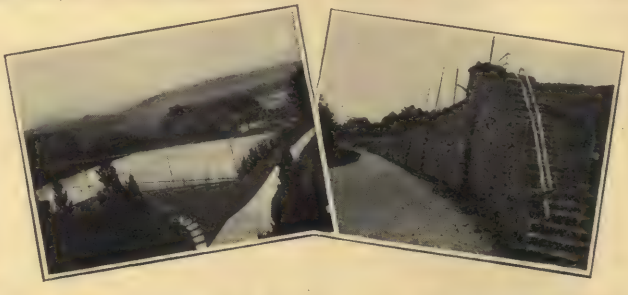
One of the medical officers resides in the SANATORIUM and both devote their entire time to its service. Located in Piedmont, North Carolina, the climate is mild and invigorating at all seasons.

Equipped for the treatment by approved methods. Billiards, Tennis and other diverting amusements.

Correspondence With Physicians Solicited

HIGHLAND HOSPITAL

Asheville, North Carolina



AN institution employing all rational methods in the treatment of nervous, habit and mental cases; especially emphasizing the natural curative agents—rest, climate, water, diet, work and play.

Asheville needs no introduction to the student of health resorts, its southern latitude tempering the rigors of our American winters, while its mountain altitude so modifies the heat of summer that Asheville is truly a health resort for all seasons.

Highland Hospital consists of several buildings, each completely equipped for its special use, thus permitting proper classification of patients. The grounds comprise sixty-five acres, including Highland Park and the Hospital athletic field. A corps of over forty trained nurses and attendants, with full Hospital facilities, make possible the refinements of modern rest-cure, but no rest-patients are received who are not prepared to undertake an adequate period of work therapy. Asheville's unusual climate makes possible an out-of-door activity almost uninterrupted by the changes in seasons.

View of Tennis Courts and surrounding mountains | *Athletic grounds wall, a product of occupational therapy*

MEDICAL PRACTICE LAW OF NORTH CAROLINA

1492. BOARD OF EXAMINERS. In order to the proper regulation of the practice of medicine and surgery, there shall be established a board of regularly graduated physicians, to be known by the title of The Board of Medical Examiners of the State of North Carolina, which shall consist of seven regularly graduated physicians.

Code, s. 3123; 1858-9, c. 258, ss. 3, 4.

4493. MEDICAL SOCIETY APPOINTS EXAMINERS. The medical society shall have power to appoint the Board of Medical Examiners.

Code, s. 3126; 1858-9, c. 258, s. 9.

4494. BOARD OF EXAMINERS TO ELECT OFFICERS. The board of medical examiners are authorized to elect all such officers, and to frame all such by-laws as may be necessary, and in the event of any vacancy by death, resignation, or otherwise, of any member of said board, the board, or a quorum thereof, is empowered to fill such vacancy.

Code, s. 3128; 1858-9, c. 258, s. 11.

4495. BOARD OF EXAMINERS, MEETINGS OF. The Board of Medical Examiners shall assemble once in every year in the city of Raleigh and the said board shall remain in session from day to day until all applicants who may present themselves for examination within the first two days of this meeting shall have been examined and been disposed of; other meetings in each year may be held at some suitable point in the state if deemed advisable.

Code, s. 3127; 1913, c. 20; 1915, c. 220.

4496. COMPENSATION OF BOARD. The members of the said board shall each receive as a compensation for their services four dollars per day during the time of their session and in addition thereto their traveling expenses to and from their places of meeting by the most direct route from their respective places of residence, to be paid by the secretary of the board out of any moneys in his hands, upon the certificate of the president of the Board of Medical Examiners.

Code, s. 3131.

4497. SECRETARY OF BOARD. The secretary of the Board of Medical Examiners shall give bond with good surety, to the president of the board, for the safekeeping and proper payment of all moneys that may come into his hands.

Code, s. 3134; 1858-9, c. 258, s. 17.

4498. APPLICANTS FOR LICENSE EXAMINED. It shall be the duty of the said board to examine all applicants who shall exhibit a diploma, or furnish satisfactory proof of graduation from a medical college in good standing requiring an attendance of not less than three years and supplying such facilities for clinical and scientific instruction as shall meet the approval of the said board, for license to practice medicine or surgery or any of the branches thereof, on the following branches of medical science: Anatomy, physiology, surgery, pathology, medical hygiene, chemistry, pharmacy, materia medica, therapeutics, obstetrics, and the practice of medicine, and if on such examination they be found competent, to grant to each applicant a license or diploma, authorizing him to practice medicine and surgery or any of the branches thereof. Five members of the board shall constitute a quorum and four of those present shall be agreed as to the qualification of the applicant; provided, that the requirement of three years attendance at school shall not apply to those graduating prior to January first, nineteen hundred; provided further, that license or other satisfactory evidence of standing as a legal practitioner in another state shall be accepted in lieu of a diploma and entitle to examination; provided still further, that the said board may, whenever in its opinion the condition of the locality where the applicant resides are such as to render it advisable, make such modification of the requirements of this section, both as to application for examination and examination for license, as in its judgment the interests of the people living in said locality may demand, and may issue to such applicant a special license to be entitled "Limited License," authorizing the holder thereof to practice medicine and surgery within the limits only of the district specifically described therein. The holder of the limited license practicing medicine or surgery beyond the boundaries of the district as laid down in said license shall be guilty of a misdemeanor, and upon conviction shall be fined not less than $25 nor more than $50 for each and every offense; and the said board is empowered to revoke said limited license, in its discretion, after due notice. The clerk of the Superior Court, in registering the holder of a limited license, shall copy upon the certificate of registration and upon his record the description of the district given in the license.

Code, s. 3124; 1858-9, c. 258, s. 5; 1899, c. 93, s. 1; 1909, c. 218; 1913, c. 20.

4498a. PRACTITIONERS FROM OTHER STATES MAY BE LICENSED WITHOUT EXAMINATION, WHEN. The Board of Medical Examiners shall, in their discretion, issue a license to any applicant to practice medicine and surgery in this state without examination if said applicant exhibits a diploma or satisfactory proof of graduation from a medical college in good standing, requiring an attendance of not less than four years and a license issued to him to practice medicine and surgery by the Board of Medical Examiners of another state.

1907, c. 890; 1913, c. 20.

4498b. EXAMINATIONS MAY BE DIVIDED. It shall be the duty of the State Board of Medical Examiners to examine any applicant for license to practice medicine on the subjects of anatomy, histology, physiology and chemistry; provided, said applicant shall furnish to the board satisfactory evidence from a medical school in good standing and supplying such facilities for anatomical and laboratory instruction as shall meet with the approval of the said board, that he has completed the course of study in said school upon said subjects. Said board shall set to the credit of said applicant upon the record books of said board the grade made upon said examination by said applicant, which shall stand to the credit of such applicant; and when he has subsequently completed the full course in medicine and presents a diploma of graduation from a medical college in good standing, requiring a four years' course of study of medicine for graduation, and when he has completed the examination upon the further branches of medicine, to wit: medical hygiene, pharmacy, materia medica, therapeutics, obstetrics, pathology, practice of medicine and surgery, he shall have accounted to his credit the grade made upon the former examination, and if then upon such completed examination he be found competent, said board shall grant him a license to practice medicine and surgery, and any of the branches thereof.

Said applicant shall pay seven and one-half dollars for each of the two examinations as herein provided for: provided, that the whole of said sums shall be refunded to him if he fails to procure a license.

1915, c. 28.

4499. TEMPORARY LICENSE. To prevent delay and inconvenience, two members of the Board of Medical Examiners may grant a temporary license to any applicant who shall comply with the requirements as to graduation prescribed in the preceding section, and make report thereof to the next regular meeting of the board: provided, such temporary license shall not continue in force longer than the next regular meeting of the board, and such temporary license shall in no case be granted after the applicant has been refused a license by the Board of Medical Examiners.

Code, s. 3125; 1858-9, c. 258, s. 7; 1889, c. 181, s. 3; 1899, c. 93, s. 2.

4500. BOARD OF EXAMINERS TO KEEP A RECORD. The Board of Examiners shall keep a regular record of its proceedings in a book kept for that purpose, which shall always be open for inspection, and shall cause to be entered in a book kept for that purpose the name of each applicant for license, and the name of each applicant licensed to practice medicine and surgery, and the time of granting the same, together with the names of the members of the board present, and shall publish the names of those licensed in two of the newspapers published in the city of Raleigh, within thirty days after the granting of the same.

Code, s. 3129: 1858-9, c. 258, s. 12.

4501. LICENSE FEE. The board shall have power to demand of every applicant thus licensed the sum of fifty dollars before issuing a license or diploma, and the sum of five dollars for each temporary license, to be paid to the secretary of the board. Whenever any license is granted without examination as authorized by chapter 800 of the Public Laws of 1907, said applicant shall pay to the secretary of the board a fee of $50 before the license or diploma is issued. Every applicant presenting himself to the State Board of Medical Examiners shall, before he is admitted to examination, satisfy said board that he has an academic education equal to the entrance requirements of the University of North Carolina, or furnish a certificate from the superintendent of public instruction of the county that he has passed an examination upon his literary attainments to meet the requirements of entrance in the regular course of the State University: provided, however, that all citizens of this state who have already begun the study of medicine shall be exempt from the operations of this section until the regular meeting of the State Board of Medical Examiners, to be held in the year 1917. The president and secretary of the Board of Medical Examiners of the state of North Carolina are hereby invested with power to administer oaths to all persons who may apply for examination before said board.

Code, s. 3130; 1858-9, c. 258, s. 13; 1913, c. 20.

4502. NOT TO PRACTICE WITHOUT LICENSE. No person shall practice medicine or surgery, nor any of the branches thereof, nor in any case prescribe for the cure of disease for fee or reward, unless he shall have been first licensed and registered so to do in the manner provided in this chapter; and if any person shall practice medicine or surgery without being duly licensed and registered as provided in this chapter, he shall not be allowed to maintain any action to collect any fee for such services.

4503. BOARD MAY RESCIND LICENSE. The said board shall have the power to rescind any license granted by them when upon satisfactory proof it shall appear that any physician thus licensed has been guilty of grossly immoral conduct.

Code, s. 3133; 1858-9, c. 258, s. 16.

4504. MUST BE REGISTERED BEFORE PRACTICING. Any person desiring to begin or engage in the practice of medicine or surgery shall personally appear before the clerk of the Superior Court of the county in which he resides or practices, for registration as a physician or surgeon. The person so applying shall produce and exhibit before the clerk of the Superior Court a license obtained from the Board of Medical Examiners of the state, or a diploma issued by a regular medical college prior to the seventh day of March, one thousand eight hundred and eighty-five, or make oath that he was practicing medicine or surgery in this state prior to said seventh day of March, one thousand eight hundred and eighty-five, and upon such exhibit or oath being made as aforesaid, the clerk shall register the date of registration with the name and residence of such applicant, in a book to be kept for this purpose in his office marked "Register of Physicians and Surgeons," and shall issue to him a certificate of such registration under the seal of the Superior Court of the county, upon the form furnished him by the medical society of North Carolina, for which the clerk shall be entitled to collect from said applicant a fee of twenty-five cents. The person obtaining said certificate shall be entitled to practice medicine or surgery, or both, in the county where the same was obtained, and in any other county of this state; but if he shall remove his residence to another county, he shall exhibit said certificate to the clerk of such other county and be registered, which registration shall be made by said clerk without fee or charge: provided, that anyone having obtained a temporary license, as provided in section nine, shall not be entitled to register, but may practice during the time such license shall remain in force.

1889, c. 181, s. 4; 1891, c. 420; 1899, c. 93, s. 44. See annotations under section 4502.

4505. BLANKS FURNISHED TO CLERKS. It shall be the duty of the medical society of the state of North Carolina to prescribe a proper form of certificates required by this sub-chapter, and all such blanks and forms as th clerk may need to enable him to perform his duties under this chapter.

1889, c. 181, s. 7; 1899, c. 93, s. 4.

3645. MEDICINE PRACTICING WITHOUT LICENSE. If any person shall practice medicine or surgery in this state for fee or reward without first having obtained license from the board of examiners of the medical society of North Carolina, he shall not only not be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery, or any of the branches thereof, but shall also be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars nor more than one hundred, or imprisoned, at the discretion of the court, for each and every offense: provided, that this section shall not be construed to apply to women who pursue the vocation of a midwife: and, provided further, that this section shall not apply to any reputable physician or surgeon resident in a neighboring state coming into this state for consultation with a registered physician resident herein; but this proviso shall not apply to physicians resident in a neighboring state regularly practicing in this state: provided, that this section shall not apply to physicians who have a diploma from a regular medical college and were practicing medicine and surgery in this state prior to the seventh day of March, one thousand eight hundred and eighty-five.

In case of the violation of any of the provisions of sections 3645, 3646, or 3647 of the Revisal of 1905, the Attorney-General of the state of North Carolina, upon complaint of the board of medical examiners of the state of North Carolina, shall investigate the charges preferred, and if in his judgment the law has been violated, he shall direct the solicitor of the district in which the offense was committed to institute a criminal action against the offending person or persons. For his services in conducting such a prosecution the solicitor shall be allowed a fee of five dollars. The board of medical examiners may also employ at their own expense special counsel to assist the Attorney-General or the solicitor. Exclusive original jurisdiction of all actions instituted for the violation of sections 3645, 3646, and 3647, of the Revisal of 1905, shall be in the Superior Court, the provisions of any special or local act to the contrary notwithstanding.

3646. MEDICINE, PRACTICING WITHOUT REGISTERING. If any person shall practice or attempt to practice medicine or surgery in this state without first having registered and obtained the certificate from the clerk of the Superior Court as required by law, he shall be guilty of a misdemeanor, and upon conviction thereof he shall be fined not less than twenty-five dollars nor more than one hundred dollars, or be imprisoned, at the discretion of the court, for each and every offense: provided, this section shall not apply to women pursuing the vocation of mid-wife, nor to reputable physicians or surgeons resident in a neighboring state coming into this state for consultation with a registered physician of this state.

1889, c. 181, s. 5.

3647. MEDICINE; CLERK OF SUPERIOR COURT REGISTERING DOCTOR OF, ILLEGALLY. If any clerk of the Superior Court shall register, or issue a certificate to any person practicing medicine or surgery in any other manner than that prescribed by law, he shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars and shall be removed from office.

1889, c. 181, s. 6.

STATE BOARD OF HEALTH

J. Howell Way, President, Waynesvlle; Richard H. Lewis, Raleigh; J. L. Ludlow, C.E., Winston-Salem; E. J. Tucker, Roxboro; A. J. Crowell, Charlotte; Thomas E. Anderson, Statesville; Charles O'H. Laughinghouse, Greenville; F. R. Harris, Henderson; Cyrus Thompson, Jacksonville.

From a Small Beginning
TO THIS
Large Modern Laboratory

It was through original, scientific study of **IMMUNIZATION** and **VACCINE THERAPY** that we have developed our present extensive laboratory. As **INDIVIDUAL PRODUCERS** and **PURVEYORS** to the medical profession of **STANDARD BACTERIAL VACCINES,** our laboratory equipment and facilities for distribution are unsurpassed.

SHERMAN'S Modern Laboratory Building—specially constructed and exclusively devoted to making SHERMAN'S Bacterial Vaccines

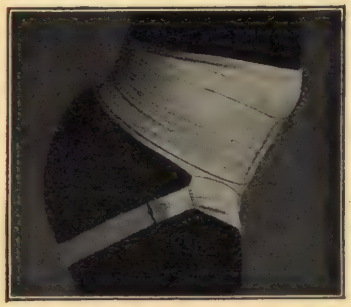
Our business has enjoyed a remarkable development. Physicians who employ **SHERMAN'S VACCINES** are, from the first, enthusiastic supporters. The prompt control which our preparations influence over infectious conditions is often phenomenal.

Vaccine therapy is now developed into a practical, serviceable, therapeutic agency. You will never be certain that you have accomplished the most for your patient until present day methods —**VACCINE THERAPY**—have been tried.

Experience in the clinical field has shown that recuperative power during the course of a disease depends upon the possible raising of metabolism and defense. It is by means of stimulating the defenses of the body that Bacterial Vaccines promptly produce results.

The list of **SHERMAN'S BACTERINS** is large and varied. Our products are carried in stock by over 3,000 branch offices and drug stores throughout the U. S. A.

New ideas evolved from time to time by studies in laboratory observation are outlined in literature that we publish. It is mailed free to physicians desiring it. All vaccines marketed in specially devised aseptic antiseptic bulk packages insuring absolute safety in withdrawing contents. Complete price list on request.



MANUFACTURER OF BACTERIAL VACCINES

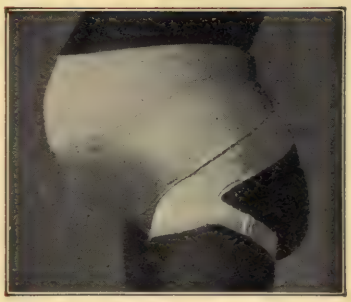
The Storm Binder and Abdominal Supporter



(Patented)

For GENERAL SUPPORT

SACRO-ILIAC SPECIAL

MATERNITY

INFANT'S SUPPORTER

Recognized by the Medical Profession in America and across both oceans as in harmony with modern surgery.

For General Support in visceroptosis, obesity, general relaxation of abdominal walls, etc., etc.

For Special Support in hernia, relaxation of the sacro-iliac articulations, floating kidney, descent of stomach, colon and intestines.

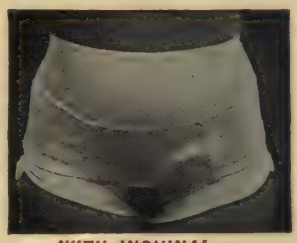
For Post-Operative Support of incisions in upper, middle and lower abdomen, as after operations upon stomach, gallbladder, liver, appendix and pelvic organs.

For Maternity Cases, for the nausea and discomforts of pregnancy.

For Any Purpose for which man, woman, child or infant needs an abdominal supporter.

A Physician's Invention which years of experience have proven far more efficient than an ordinary belt.

Every Binder Is Made to Order from data furnished us by the physician. None are "ready-made." Each is designed for special needs of the case.



Washable as Underwear. No leather, no whalebones, no rubber elastic in Storm Binders.

Send for New Folder which describes construction of the Binder and shows its adaptability to varied needs. Also contains illustrations, prices and samples of our specially made materials, with instructions for measuring and testimonials of physicians.

Mail Orders Filled at Philadelphia only within 24 hours.

SPECIAL KIDNEY BELT
combined with general abdominal support

WITH INGUINAL HERNIA MODIFICATION

Showing a Double laced reinforcing band on a Special High operation Belt.

Draw the tape line snugly around the body over the skin.

MEDICAL PRACTICE LAW OF NORTH DAKOTA

An Act

To Regulate the Practice of Medicine and Surgery in the State of North Dakota.

Be it enacted by the Legislature of the State of North Dakota:

Section 1. BOARD OF MEDICAL EXAMINERS; HOW APPOINTED; QUALIFICATIONS: The governor shall on or before the first day of August, 1911, appoint a State Board of Medical Examiners, consisting of nine members, two of whom shall be homeopathic physicians, who shall be practicing physicians of integrity and ability, who shall be residents of and have been duly licensed to practice medicine and surgery in this state, and who shall have been graduated from medical schools of high educational requirements and standing and shall have been engaged in the active practice of their profession within this state for a period of at least five years. Three of such persons shall hold office for the term of one year from the said first day of August, 1911, three for the period of two years, and three for the period of three years from said date. Thereafter, and as the terms of office expire, all members of the board shall be appointed for the term of three years, with the exception of those who may be appointed to fill unexpired terms. Until the first day of August, 1911, the members of the present State Board of Medical Examiners shall hold office and shall enforce the provisions of this Act.

Sec. 2. OFFICERS; MEETINGS FOR EXAMINATIONS; RECORDS AND RULES: Such board shall elect a president and secretary-treasurer, and shall have a seal. The secretary-treasurer shall be the general administrative and prosecuting officer of said board, but need not be a member thereof. The president and the secretary-treasurer shall have the power to administer oaths. The board shall hold meetings for examinations at such places as it may designate, on the first Tuesday in January and July of each year, and such special meetings as it may from time to time appoint. The board shall keep a record of all its proceedings, and also a register of applicants for license, together with their ages, and the time spent in the study of medicine and in their studies preliminary thereto, and the nature thereof, and the name and location of all institutions, medical and otherwise, granting to such applicants degrees or certificates of attendance on lectures in classes of medicine and surgery and studies preliminary thereto. Such register shall also show whether the applicant was rejected or licensed by the board. Said books and register shall be prima facia evidence of all maters therein recorded. Said board shall from time to time adopt such rules and regulations as it may deem necessary for the performance of its duties and a schedule of minimum educational requirements which shall be without prejudice or discrimination as to schools or systems of practice of medicines.

Sec. 3. POWER TO ADMINISTER OATHS AND SUMMON WITNESSES; ENFORCEMENT OF POWERS: Said board shall have authority to administer oaths, to summon witnesses and take testimony in all matters relating to their duty. When the board, in the transaction of any of its business or in the conduct of any hearing or when any person interested in such business or hearing shall desire to secure the presence or testimony of any person before said board, said board or such person may procure subpoenas from the clerk of the District Court of the county wherein such business is to be transacted or conducted before said board, and the clerk of such court is hereby directed to issue such subpoenas, as, in the name of the state of North Dakota, commanding the persons whose names shall be given to such clerk by said board, or by such persons so interested in such business or hearing, to appear before said board at a certain time and place fixed by said board, for the transaction of such business or conduct of such hearing and then and there testify in the matter of such business or in such hearing. If any person so commanded to appear and testify shall fall or refuse to obey such subpoena, he shall be dealt with by said District Court in the same manner and to the same effect as though such subpoena has commanded such person to appear and testify in a cause on trial in said court. Fees or other charges or payments, which may be demanded by any person so commanded to appear and testify shall be only those which may be demanded by witnesses in causes in the District Court and under the same circumstances. Such subpoenas shall be served in the same manner as are the subpoenas for trials in the District Court and they shall be substantially the same form. It shall be the duty of the secretary-treasurer, under the direction of the board, personally or by deputy duly authorized thereunto by said board, to aid the several district attorneys of the state in the enforcement of this Act and in the prosecution of all persons who may have violated any of its provisions.

Sec. 4. LICENSE: No person shall practice medicine in this state unless he shall have made application to said Board of Medical Examiners, through the secretary-treasurer thereof, upon such form and in such manner as shall be adopted and prescribed by said board, for a license so to do, and shall have obtained from said board and shall possess in full force and virtue a valid license so to do; and any person practices medicine in this state, without having made such application and without having received and without still possessing such a license shall be deemed to have thereby violated the provisions of this Act. All applicants for a license to practice medicine or for a restoration of any such license which has been revoked shall furnish the board with satisfactory evidence of good moral character. Nothing in this Act shall be taken or construed to preclude physicians and surgeons who have already been admitted to practice their profession within the state of North Dakota and under and according to the laws thereof to continue so to practice.

Sec. 5. DEFINITION: The term "practice of medicine" as used in this Act, is intended to cover and include the practice of medicine, surgery and obstetrics. The term "physician" means physician and surgeon.

Sec. 6. MEANING OF THE TERM PRACTICE OF MEDICINE; EXEMPTIONS AND EXCEPTIONS: A person shall be regarded as practicing medicine within the meaning of this Act who holds himself or herself out to the public as being engaged within this state in the diagnosis or treatment of diseases or injuries of human beings; or, who suggests, recommends or prescribes any form of treatment for the intended palliation, relief or care of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; or who maintains an office for the examination or treatment of persons afflicted with disease or injury of body or mind; or who attaches the title M.D., surgeon, doctor or any word or abbreviation to his name, indicating that he is engaged in the treatment or diagnosis of the disease or injuries of human beings. Nothing in this Act, however, shall be construed to affect lawfully qualified physicians in other states or countries meeting legally licensed physicians in this state for consultation or any physician residing on the border of a neighboring state and duly licensed under the laws thereof to practice medicine therein, and who does not open an office or appoint a place to meet patients or receive calls within this state; or the domestic administration of family remedies; or dentists practicing their profession or optometrists when licensed and practicing under the provisions of Article 16 Chapter 4 of the political code, Revised Codes of 1905; nor to prohibit the practice of Christian Science or other religious tenets or religious rules or ceremonies as a form of religious worship, devotion, or healing, provided that the persons administering or making use of or assisting or prescribing such do not prescribe or administer drugs or medicines nor perform surgical or physical operations, nor assume the title of or hold themselves out to be physicians or surgeons; nor shall this Act be construed to prohibit any person, if qualified under Chapter 172 of the laws of 1909, from engaging in the practice of osteopathy, when not representing himself as, or assuming the title of physician or surgeon; provided such person does not profess or hold himself out to, nor administer or prescribe drugs or perform surgery, except minor surgery; nor shall it be construed to prohibit commissioned surgeons of the United States Army, Navy or Public Health Service from performing their lawful duties in this state as such.

Sec. 7. EXAMINATIONS; HOW CONDUCTED; SUBJECTS: The manner of determining the qualifications of any person to practice medicine or surgery shall be such as shall be adopted by the State Board of Medical Examiners. Examination of applicants for the licenses to practice medicine shall be made by said board according to the method deemed by it to be most practicable and expeditious to test the applicant's qualifications. Each applicant shall be designated by a number instead of name, so that his identity shall not be disclosed to the members of the board until the examinations shall be graded. The subject of written, oral or clinical examinations for applicants shall be as follows: anatomy, physiology, chemistry, pathology, gynecology, physical diagnosis, toxicology, surgery, obstetrics, histology, bacteriology, medical jurisprudence and preventive medicine.

Sec. 8. EXAMINATIONS WAIVED: In the case of an applicant coming from, or who has been educated in other states or foreign universities, such applicant's credentials relating to his general reputation, his preliminary education and the course of study he has pursued, the degrees he has received, the number of years he has been engaged in the lawful practice of medicine, his experience in hospitals, medical departments of Army, Navy and Public Health Service, licenses granted to him by other states and countries, and his experience as a teacher of medicine shall be given due consideration by the board in determining

his qualifications to practice medicine. When convinced by an investigation of an applicant's credentials that he is qualified to practice medicine and surgery the board may, in its discretion, grant him a license without examination, upon the payment of the regular fee of $25, and provided further, that said board upon the payment of such fee and in its discretion, may accept and register and without further examination, issue a license to practice medicine upon any certificate which shall have been issued to an applicant by the Medical Examining Board of the District of Columbia, or of any state or territory of the United States; provided, however, that the applicant has received a degree or diploma from a legally chartered medical school, the requirements of which shall have been at the time of granting such diploma or degree, in no particular less than those prescribed by the Association of American Medical Colleges for that year; and provided further, that the legal requirements of the Medical Examining Board of such state, district or territory, shall have been at the time of issuing such certificate in no degree or particular less than those of this state, at the time when such certificate shall be presented for registration and approval of the board provided for in this Act; and provided further, that the provisions and exceptions in this section contained shall be held to apply only to the certificate of licenses of such states, districts or territories as accept and register the certificates and licenses granted by the board provided for herein, without further examinations of the persons holding such certificates.

Sec. 9. PRELIMINARY QUALIFICATIONS: All applicants for licenses to practice medicine in the state of North Dakota and all applicants for the examination of the Board of Medical Examiners herein provided for, must, as a prerequisite thereto, and except as provided in Section 8 of this Act, present evidence which shall be satisfactory to said board of having graduated from a reputable medical college and having attended in such college or colleges the lectures of no less than four college years of at least eight months each, and must all give evidence which shall be satisfactory to said board, of a preliminary education which would be necessary to admit said student to the junior or third year of the University of North Dakota or some equally reputable American college or university: provided, however, that in case of applicants who have graduated from a reputable medical college prior to the year of 1905, satisfactory evidence of attendance on the lectures and classes of three college years of at least six months each, shall be deemed sufficient to entitle such applicants to take the examination herein provided for.

Sec. 10. LICENSE; FEES: If such applicant passes the prescribed examination, or if such applicant is excused from such examination as provided for in Section 8 of this Act and is found by the board to be properly qualified, the board may grant him a license to practice medicine, surgery, obstetrics, in this state, which license shall be signed by the president and secretary treasurer of the board, and shall have the seal thereof affixed to or impressed thereon. The fee of examination shall be $25, to be applied to the board toward paying the compensation and expenses thereof, including the enforcement of the provisions of this Act, and the same fee shall be charged where an application for license is made without examination.

Sec. 11. REVOCATION AND REFUSAL OF LICENSE: The State Board of Medical Examiners shall keep a record of all its proceedings together with the evidence offered in the matter of revoking or refusing licenses hereunder, may refuse to grant, or may revoke a license to practice medicine and surgery in this state, and may cause a licentiate's name to be removed from the record in the office of any recorder of deeds, upon any of the following grounds, to-wit: The employment of fraud or deception in applying for or securing a license or in passing the examination provided for in this Act; the practice of medicine under a false or assumed name, or impersonation of another physician of this state or any state, territory or foreign country of a like or different name; the conviction of a felony, or of a crime, involving moral turpitude; habitual temperance in the use of ardent spirits, narcotics, or stimulants to such an extent as to incapacitate for performance of professional duties; the procuring or aiding or abetting in procuring or attempting to procure a criminal abortion; negligent or ignorant malpractice resulting in permanent injury or the death of a patient; the obtaining of a fee either directly or indirectly either in money or in the form of anything of value, or in the form of financial profit, either as personal compensation, or as compensation, charge, profit or gain for an employer, or any other person or persons, on the representation that a manifestly incurable sick, diseased or injured condition of any person can be permanently cured; causing the publication, circulation, exhibition or display publicly of an advertisement, notice or information of any medicine or means whereby the monthly periods of women can be regulated or the menses if suppressed can be reestablished, or whereby abortion can be accomplished; causing the publication, circulation, exhibition or display publicly of any advertisement relative to the treatment, alleviation, palliation, cure or prevention of any disease, weakness or condition of the sexual organs. An appeal from the final decision of such board shall lie to the district court of the county in which such decision was made, within sixty days after notice to the party aggrieved. The record on appeal shall consist of the entire proceedings of such board, together with the evidence offered. Such appeal shall be governed by the code of civil procedure as far as applicable.

Sec. 12. LICENSE TO BE RECORDED: Every person who shall receive a license from the State Board of Medical Examiners shall have it recorded immediately in the office of the recorder of deeds of the county in which he shall maintain an office for the practice of medicine, and shall likewise have it recorded in any county in which he shall practice medicine regularly. The recorder of deeds of each county in this state shall keep for public inspection, in a book provided for that purpose, a complete list and description of licenses recorded by him. When any such license shall be presented to him for record he shall stamp or write upon the back thereof his signed memorandum of the date when such license was presented for record. If the name of any person shall not so appear in such book in any particular county in this state in connection with a description of such license provided for in this Act, such act shall be prima facie evidence in any civil or criminal action involving the practice of medicine by such person in such county, that such person does not possess in full force or virtue a license to practice medicine in this state.

Sec. 13. PENALTIES FOR VIOLATIONS AND FOR FRAUDULENT IMPERSONATION AND FRAUDULENT DEVICES: Any person who shall practice medicine in this state without complying with the provisions of this Act, and any person who shall violate any of the provisions of this Act, shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be punished by a fine of not less than $50 nor more than $300, or by imprisonment in the county jail for not less than ten days or more than thirty days, or both, in the discretion of the court. Any person who shall present or attempt to file as his own, diploma or certificate of credentials of another, who shall give false evidence or present an altered or forged instrument or writing of any kind to the State Board of Medical Examiners, or any member thereof, in connection with an application for license to practice medicine, or in any hearing before said board, or who shall practice medicine under a false or assumed name or who shall falsely personate another practitioner of a like or different name, shall be guilty of a felony, and upon conviction thereof shall be punished by imprisonment in the state penitentiary for a term of not less than one year nor more than ten years at hard labor.

Sec. 14. REMOVAL OF MEMBERS OF EXAMINING BOARD; REELECTION: The governor of the state of North Dakota may, for good cause shown, and upon the recommendation of three-fourths of the members of the Board of Medical Examiners, remove any member of such board for misconduct, incapacity or neglect of duty. No member of such board shall serve thereon for more than two full consecutive terms.

Sec. 15. REPEAL: All acts or parts of acts conflicting with the provisions of this Act are hereby repealed.

Sec. 16. EMERGENCY: Whereas, an emergency exists in that inadequate protection is now afforded against incompetent and untrained physicians, therefore this Act shall take effect and be in force from and after its passage and approval.

Approved Feb 27, 1911.

STATE BOARD OF HEALTH

Mr. William Langer, President, Bismarck; H. O. Cooperman, Vice President, Minto.

C. J. McGurren, Secretary, Devils Lake.

Physicians' and Surgeons' Liability Policies

Cooperative Malpractice Insurance

Limited to Members of Recognized Medical Societies

GROUP FORM PLAN
originated and issued only by Aetna Life Insurance Company to provide real protection and service on a common sense basis.

THIS MEANS PROTECTION
against loss arising from claims based upon any injury to a patient occurring in the lawful practice of the Assured's profession. No limitation on reason for making claim.

AVOIDS TECHNICALITIES
furnishes complete defense; also indemnity, $5,000 for one injury; $15,000 total all judgments account of each year's acts.

ÆTNA ATTORNEYS
(specialists in personal injury claims) always available to Assured both before and after claim is made, without extra charge.

COMPROMISES
the Aetna prefers to defend suit to the highest court. Cannot settle without consent of Assured.

APPEAL BONDS FURNISHED
if necessary in defending suit (up to limit specified in policy) without cost or deposit of collateral—a radical departure of real value to the Assured.

ÆTNA-IZE

THE BEST COVERAGE POSSIBLE
permitted by public policy, in protecting you on account of professional services rendered, or which should have been rendered, is embodied in the above described contracts. But we can still further protect you as an individual from many other hazards that may arise through your personal acts, ownership of real estate or other property, owning or operating an automobile, or being the owner or a partner in the conduct of a hospital, dispensary or clinic.

TO FILL EVERY INSURANCE NEED
of a Physician and Surgeon is the aim of contracts issued by the Aetna Life and affiliated companies. Among our lines are:

Life	Hospital	Fire
Accident	Combination Residence	Use and Occupancy
Health	General Liability	Marine
Automobile (every kind)	Burglary	Surety Bonds
	Theft	Plate Glass

THE STRONGEST POSSIBLE FINANCIAL SECURITY
is behind these contracts, as shown by the Surplus to Policyholders:

Ætna Life Insurance Company	$19,027,417
Ætna Casualty and Surety Company	4,849,658
Automobile Insurance Company	3,724,512

ASK AN ÆTNA AGENT
for help and advice in obtaining *complete protection against* all your hazards at the *lowest cost*, or write to our Home Office.

When You Buy Insurance
You Have a Right to the Best

Ætna Life Insurance Company, Hartford, Conn.

MEDICAL PRACTICE LAW OF OHIO

An Act

To Revise and Consolidate the Laws Relating to the Appointment, Powers and Duties of the State Board of Medical Registration and Examination.

Be it enacted by the general assembly of the State of Ohio:

Section 1262. APPOINTMENT OF BOARD; TERMS; REPRESENTATION: The governor, with the advice and consent of the senate, shall appoint a State Medical Board, consisting of seven members, who shall be physicians in good standing in their profession. One member shall be appointed each year and shall serve for a term of seven years. Schools of practice shall be given representation on the board as nearly as possible in proportion to their numerical strength in the state, but no school shall have a majority of the board.

Sec. 1263. ORGANIZATION: The State Medical Board shall organize by the election or a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession. Each of the officers so elected shall serve for a term of one year, and the president and the secretary may administer oaths.

Sec. 1264. COMPENSATION AND EXPENSES: Each member of the State Medical Board shall receive ten dollars ($10) for each day employed in the discharge of his official duties and his necessary expenses so incurred.

Sec. 1265. SECRETARY'S SALARY: The secretary of the State Medical Board shall receive an annual salary, to be fixed by the board, and his necessary expenses incurred in the performance of his official duties.

Sec. 1266. TREASURER'S BOND: The treasurer of the State Medical Board shall give a bond to the state in the sum of $10,000, with two or more sureties approved by the board, conditioned for the faithful discharge of the duties of his office. Such bonds with the approval of the board and the oath of office indorsed thereon, shall be deposited with the board and kept in its office.

Sec. 1267. MEETINGS; QUORUM: The State Medical Board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times and places as the board may direct. Five members of the board shall constitute a quorum. The board shall have a seal and shall prescribe rules for its government. (R. S. Section 4403.)

The applicant must also produce a certificate issued by the entrance examiner and a diploma from a legally chartered medical institution in the United States in good standing, as defined by the board, at the time the diploma was issued and which institution, subsequent to May 1, 1913, requires for admission for the degree of M.D. to such institution, a preliminary education equal to that required for graduation from a first grade high school in this state, or a diploma or license approved by the board which conferred the full right to practice all branches of medicine or surgery in a foreign country.

Sec. 1268. RECORDS: The State Medical Board shall keep a record of its proceedings. It shall also keep a register of applicants for certificates, showing the name of the applicant, the name and location of the institution granting him the degree of doctor of medicine or surgery, and whether he was granted or refused a certificate. The books and records of the board shall be prima facie evidence of matters therein contained.

Sec. 1269. APPLICATION FOR EXAMINATION; REQUIREMENTS: Each person who desires to practice medicine or surgery shall file with the secretary of the State Medical Board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that he is more than 21 years of age and of good moral character.

Sec. 1270. ENTRANCE EXAMINER; PRELIMINARY EDUCATIONAL CREDENTIALS: The State Medical Board shall appoint an entrance examiner, who shall not be directly or indirectly connected with a medical college and who shall determine the sufficiency of the preliminary education of applicants for admission to the examination. The following preliminary educational credentials shall be sufficient.

A diploma from a reputable college granting the degree of A.B., B.S., or equivalent degree;

A diploma from a legally constituted normal school, high school or seminary, issued after four years of study;

A teacher's permanent or life certificate;

A student's certificate of examination for admission to the freshman class of a reputable literary or scientific college.

In the absence of the foregoing qualifications the entrance examiner may examine the applicant in such branches as are required for graduation from a first-class high school of this state, and to pass such examination shall be sufficient qualification. If the entrance examiner finds that the preliminary education of the applicant is sufficient, he shall, upon payment to the treasurer of the State Medical Board of a fee of $3, issue a certificate thereof, which shall be attested by the secretary of the State Medical Board.

Sec. 1271. DIPLOMA; AFFIDAVITS; At the time of his application the applicant shall present such diploma or license, with his affidavit that he is the person named therein and is the lawful possessor thereof, stating his age, residence, the college or colleges at which he obtained his medical education, the time spent in each, the time spent in the study of medicine, and such other facts as the State Medical Board requires. If engaged in the practice of medicine or surgery the affidavit shall state the period during which and the place where he has been engaged.

Sec. 1272. ADMITTANCE TO EXAMINATION: If the State Medical Board finds that the applicant has obtained any one of the credentials necessary for admission to the examination, that his diploma is genuine and granted by a legally chartered medical instution in the United States in good standing as determined by the board, or that his license is genuine and confers upon him full right to practice all branches of medicine or surgery in the foreign country in which he obtained it, and of a standard approved by the board, that the person named in the diploma or license is the person holding and presenting it and is of good moral character, the board shall admit such applicant to an examination.

Sec. 1273. EXAMINATIONS; SUBJECTS: The examination of applicants for certificates to practice medicine or surgery shall be conducted under rules prescribed by the State Medical Board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, diagnosis, surgery, obstretrics and such other subjects as the board requires. The applicant shall be examined in materia medica and therapeutics and principles and practice of medicine of the school of medicine in which he desires to practice by the member or members of the board representing such school.

Sec. 1274. CERTIFICATE; AFFIRMATIVE VOTE OF MAJORITY OF EXAMINERS: If the applicant pass such examination, and has paid the fee required by law, the State Medical Board shall issue its certificate to that effect, signed by its president and secretary, and attested by its seal. Such certificates when deposited with the probate judge as required by law, shall be conclusive evidence that the person to whom it is issued is entitled to practice medicine or surgery in this state. An affirmative vote of not less than five members of the board is required for the issuance of a certificate.

Sec. 1274-1. DRUGLESS HEALERS LICENSE: The State Medical Board shall also examine and register persons desiring to practice any limited branch or branches of medicine or surgery, and shall establish rules and regulations governing such limited practice. Such limited branches of medicine or surgery shall include chiropractice, napropathy, spondylotherapy, mechanotherapy, neuropathy, electro-therapy, hydrotherapy, suggestive-therapy, psycho-therapy, magnetic healing, chiropody, Swedish movements, massage, and such other branches of medicine or surgery as the same are defined in Section 1286 of the general code that may now or hereafter exist, except midwifery and osteopathy.

Sec. 1274-2. EXAMINATIONS: For the purpose of establishing the practice of such limited branches the State Medical Board shall call to its aid the designated persons as provided in Section 1274-3 of the general code, and such designated persons shall examine any person who has practiced any such branches in Ohio for a period of at least one year prior to June 1, 1915, and who makes application prior to Oct. 1, 1915, on a form prescribed by the board, in those subjects only which are appropriate to the limited branch of medicine or surgery, for a certificate to practice which his application is made. No such applicant shall be required to comply with the preliminary educational qualifications provided for in Section 1274-5 of the general code. Any person practicing in Ohio, who at the time of the passage of this Act shall actually be engaged in this state for a period of five years continuously prior to Oct. 1, 1915, in the practice of any one or more of the limited branches of medicine or surgery hereinbefore enumerated, and who shall present to and file with the State Medical Board an affidavit to that effect after the passage of this Act shall be exempted from the examination, and shall be entitled to receive from said board a license to practice, upon the payment to said board of a fee of twenty-five dollars ($25). The examination of all other applicants shall be conducted under rules prescribed by the board and at such times and places as the board

may determine. Such examination shall be given in anatomy, physiology, chemistry, bacteriology, hygiene, diagnosis, and in such other subjects appropriate to the limited branches of medicine or surgery, certificate to practice which is applied for, as the board may require; provided, however, that applicants for certificates to practice massage or Swedish movements shall not be examined in pathology and diagnosis.

Sec. 1274-3. EXAMINATIONS AND QUALIFICATIONS: For the purpose of conducting such examinations the State Medical Board shall call to its aid any person or persons of established reputation and known ability in the particular limited branch in which the examination is being held; and in the event that there is in existence a state association or society of practitioners of any such limited branch of medicine or surgery, such association or society, except a state association or society of chiropodists, shall recommend the person or persons to be designated for this service by the board. Any person called by the State Medical Board to its aid, as provided in this section, shall receive for his services not more than ten dollars ($10) per day and his actual and necessary expenses to be fixed and allowed by the State Medical Board.

If the applicant passes such examination and has paid the fee of twenty-five dollars ($25) as required by law, the State Medical Board shall issue its certificate to that effect. Such certificate shall authorize the holder thereof to practice such limited branch or branches of medicine or surgery as may be specified therein, but shall not permit him to practice any other branch or branches of medicine or surgery, nor shall it permit him to treat infectious, contagious or venereal diseases, nor to prescribe or administer drugs, or to perform major surgery.

Sec. 1274-4. RECIPROCITY FOR DRUGLESS HEALERS: The State Medical Board may dispense with the examination of applicants for such limited certificates upon the same reciprocal terms and conditions with respect to such limited branches as are provided in Section 1282 of the general code with respect to physicians and surgeons generally.

Sec. 1274-5. DRUGLESS HEALERS SCHOOLS: The State Medical Board shall determine the standing of the schools, colleges, institutions or individuals giving instruction in such limited branches. If there shall at any time be such schools, colleges, institutions, or individuals giving instruction in such limited branches, the applicant for such certificate shall, as a condition of admission to the examination, produce a diploma or certificate from such a school, college, institution or individual in good standing as determined by the board, showing the completion of the required courses of instruction.

The entrance examiner of the State Medical Board shall determine the sufficiency of the preliminary education of applicants for such limited certificates as is provided in Section 1270 of the general code; provided, however, that the State Medical Board may adopt rules defining and establishing for any limited branch of medicine or surgery such preliminary educational requirements, less exacting than those prescribed by said section, as the nature of the case may require.

Sec. 1274-6. REVOCATION: The provisions of Sections 1268, 1269, and 1274 to 1281, both inclusive, of the general code, shall in all respects in so far as the same may be applicable, govern the State Medical Board, all of the officers mentioned therein, and the applicants for and recipients of such limited certificates; provided, however, that in addition to the power of the board to revoke and suspend certificates provided for in Section 1275 of the general code it may also revoke or suspend the certificate of any one to whom a limited certificate has been issued upon proof of violation of the rules or regulations established by the board governing such limited practice.

Sec. 1274-7. Nothing in Section 1274-1 to 1274-6, both inclusive, or of the general code shall be so construed as in any way amending Sections 1286, 1287 and 1294 of the general code or as in any way limiting the application of said sections or any other provision of the laws of the state to practitioners of such limited branches of medicine or surgery save as hereinbefore specifically provided.

Sec. 1275. REFUSAL; REVOCATION: The State Medical Board may refuse to grant a certificate to a person guilty of fraud in passing the examination, or at any time guilty of felony or gross immorality, grossly unprofessional or dishonest conduct, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery. The words "grossly unprofessional or dishonest conduct" as used in this section are hereby declared to mean:

First: The employing of any capper, solicitor or drummer for the purpose of securing patients, or subsidizing any hotel or boarding house with like purpose, or the obtaining of any fee on the assurance that an incurable disease can be cured.

Second: The wilful betrayal of a professional secret. But a physician, knowing that one of the parties to a contemplated marriage has a venereal disease, and so informing the other party to such contemplated marriage, or the parent, brother or guardian of such other party, shall not be held to answer for betrayal of a professional secret nor shall such physician be liable in damages for truthfully giving such information to such other party, or the parent, brother or guardian of such other party.

Third: All advertising of medical practice in which extravagantly worded statements intended, or having a tendency to deceive and defraud the public are made, or where specific mention is made in such advertisments of tuberculosis, consumption, cancer, Bright's disease, kidney disease, diabetes, or of venereal diseases or diseases of the genito-urinary organs.

Fourth: Having professional connection with, or lending one's name to an illegal practitioner of medicine.

Fifth: Any division of fees or charges, or any agreement or arrangement to share fees or charges made by any physician or surgeon with any other physician or surgeon or with any other person.

Upon notice and hearing, the board, by a vote of not less than five members, may revoke or suspend a certificate for like cause or causes.

Sec. 1275-1. WITNESSES AND TESTIMONY: The State Medical Board shall have the power to require the attendance of such witnesses and the production of such books, records and papers as it may desire at any hearing before it of any matter of which it has authority to investigate, and for that purpose may through its secretary issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records or papers directed to the sheriff of the county where such witness resides or is found, which shall be served and returned in the same manner as a subpoena in a criminal case is served and returned. The fees and mileage of the sheriff and witness shall be the same as that allowed in the common pleas court in criminal cases, which fees and mileage shall be paid from the fund in the state treasury for the use of the board in the same manner as other expenses of the said board are paid.

Depositions of witnesses residing within or without the state may be taken by the board in the manner prescribed by law for like depositions in civil action in the common pleas court. In any case of disobedience thereto or neglect of any subpoena served on any person or the refusal of any witness to testify to any matter regarding which he may lawfully be interrogated, it shall be the duty of the common pleas court of any county where such disobedience, neglect or refusal occurs, or any judge thereof on application by the secretary of the State Medical Board, to compel obedience by attachment proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from such court or a refusal to testify therein.

Sec. 1276. APPEAL: An appeal may be taken from the action of the State Medical Board refusing to grant or suspending or revoking a certificate or license for the causes named in the preceding section to the common pleas court of Franklin county or to the common pleas court of the county in which the person who has been refused a license or whose license has been suspended or revoked resides. The judgment of the common pleas court may be reviewed upon proceedings in error in the court of appeals.

Sec. 1277. FEES; REEXAMINATION: Each applicent for a certificate to practice medicine or surgery in this state shall pay a fee of twenty-five dollars ($25) for an examination. On failure to pass such examination the fee shall not be returned to the applicant, but within a year after such failure he may present himself and be again examined without the payment of an additional fee. All fees for examinations shall be paid in advance to the treasurer of the board and by him paid into the state treasury to the credit of a fund for the use of the State Medical Board.

Sec. 1278. CERTIFICATE TO BE DEPOSITED WITH PROBATE JUDGE OF COUNTY; CHANGE OF RESIDENCE: Each person who receives a certificate to practice medicine or surgery, before beginning practice, must deposit his certificate with the probate judge of the county in which he resides. The probate judge shall record it in a book kept for that purpose and indorse on the margin of the record and on the certificate the time when he received it for record, and make an index to all certificates by him recorded. The probate judge shall also note the revocation of a certificate, on the death or change of location of the owner of a certificate in the margin of the record. If the owner of a certificate changes his place of residence, he must have such certificate recorded by the probate judge of the county into which he removes.

Sec. 1279. CERTIFIED COPY OF CERTIFICATE: Upon application the probate judge shall make a certified copy of a certificate and the indorsements thereon, which certified copy shall be prima facie evidence of the matters and facts therein contained.

Sec. 1280. FEES: For services under the provisions herein relating to the State Medical Board, the probate judge shall receive from the holder of a certificate the following fees: For recording and indexing each certificate, 50 cents; for certified copies, the same fees as are allowed by law for copies of records kept by him.

Sec. 1281. LIST OF CERTIFICATES: During the month of December in each year the probate judge shall furnish the secretary of the State Medical Board a list of certificates recorded and in force, of certificates revoked, and of certificates whose owners have removed from the county or died during the preceding year.

Sec. 1282. RECIPROCITY; APPLICATION: The State Medical Board may dispense with the examination of a physician or surgeon, duly authorized to practice medicine or surgery in another state, a territory or the District of Columbia, who wishes to remove from such state, territory or district and reside or practice his profession in this state, upon his complying with the following conditions:

Such physician or surgeon shall make an application on a form prescribed by the board, pay a fee of fifty dollars ($50) and present a certificate or license issued by the medical board thereof; provided the laws of such state, territory or district require of physicians and surgeons practicing therein qualifications of a grade equal to those required of physicians and surgeons practicing in Ohio, and equal rights are accorded by such state, territory or district to physicians and surgeons of Ohio holding a certifi-

cate from the State Medical Board who desire to remove to, reside and practice their profession in such state, territory or district.

Sec. 1283. EXAMINATION FOR MIDWIFERY: Each person who desires to practice midwifery in this state, and is not authorized by law so to do, shall appear before the State Medical Board and submit to such examination as the board requires.

In order to be admitted to the examination the applicant shall file with the secretary of the State Medical Board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that she is more than 21 years of age and of good moral character.

At the time of her application, the applicant shall file with the secretary of the State Medical Board such evidence of preliminary education as is required by law of applicants for examination to practice medicine and surgery and present a diploma from a legally chartered school of midwifery, in good standing, as defined by the board, at the time the diploma was issued, or a diploma or license approved by the board which conferred the full right to practice midwifery in a foreign country, with her affidavit that she is the person named therein and is the lawful possessor thereof, stating her age, residence, the school or schools at which she obtained her education in midwifery, the time spent in each, the time spent in the study of midwifery and such other facts as the State Medical Board requires. If engaged in the practice of midwifery, the affidavit shall state the period which and the place where she has been so engaged.

Sec. 1283-1. .If the State Medical Board finds that the applicant has obtained the credentials necessary for admission to the examination, that her diploma is genuine, and granted by a legally chartered school of midwifery, in good standing, as determined by the board, or that her license is genuine and confers upon her full right to practice midwifery in the foreign country in which she obtained it, and of a standard approved by the board, that the person named in the diploma or license is the person holding and presenting it and is of good moral character, the board shall admit such applicant to an examination.

Sec. 1284. CERTIFICATE: If the applicant passes a satisfactory examination and has paid a fee of ten dollars ($10), the State Medical Board shall issue its certificate to that effect, which must be deposited with the probate judge of the county in the manner provided for a physician's certificate, and thereupon entitle its holder to practice midwifery in this state. Such certificate may be refused, revoked or suspended as in the case of certificates to physicians and surgeons.

Sec. 1285. LIMITS OF MIDWIFERY: No certificate to practice midwifery shall authorize its holder to perform version, treat breech or face presentation, do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies.

Sec. 1286. PRACTICE OF MEDICINE DEFINED: A person shall be regarded as practicing medicine, surgery or midwifery within the meaning of this Act, who uses the words or letters, "Dr.," "Doctor," "Professor," "M.D.," "M.B.," or any other title in connection with his name which in any way represents him as engaged in the practice of medicine, surgery or midwifery, in any of its branches, or who examines or diagnosis for a fee or compensation of any kind, or prescribes, advises, recommends, administers or dispenses for a fee or compensation of any kind, direct or indirect, a drug or medicine, appliance, application, operation or treatment of whatever nature for the cure or relief of a wound, fracture or bodily injury, infirmity or disease. The use of any such words, letters or titles in such connection or under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine, surgery or midwifery, shall be prima facie evidence of the intent of such person to represent himself as engaged in the practice of medicine, surgery or midwifery.

Sec. 1286-2. Nothing in this chapter shall be construed to apply to or prohibit in any way the administration of an anesthetic by a registered nurse under the direction of and in the immediate presence of a licensed physician, provided such nurse has taken a prescribed course in anesthesia, at a hospital in good standing.

Sec. 1287. TO WHOM NOT APPLIED: Nothing in this Act shall prohibit service in case of emergency, or domestic administration of family medicines. This chapter shall not apply to a commissioned medical officer of the United States Army, Navy or Marine Hospital Service in the discharge of his professional duties, or to a regularly qualified dentist when engaged exclusively in the practice of dentistry, or when administering anesthetics, or to a physician or surgeon residing in another state or territory who is a legal practitioner of medicine or surgery therein, when in consultation with a regular practitioner of this state; nor shall this Act apply to a physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this state; provided equal rights and privileges are accorded by such neighboring state to the physicians and surgeons of Ohio residing on the border of this state contiguous to such neighboring state. Such practioner shall not open an office or appoint a place to see patients or receive calls within the limits of this state.

Sec. 1288. EXAMINATIONS AND CERTIFICATES OF OSTEOPATHS: The provisions of this chapter shall not apply to an osteopath who passes an examination before the State Medical Board in the subjects of anatomy, physiology, obstetrics, and diagnosis in the manner required by the board, receives a certificate from such board, and deposits it with the probate judge as required by law in the case of other certificates. Such certificate shall authorize the holder thereof to practice osteopathy in the state, but shall not permit him to prescribe or administer drugs, except anesthetics and antiseptics necessary in the practice of osteopathy; neither shall the certificate permit the holder to perform major surgery, which is hereby declared to be all operative procedures requiring the use of the knife or other surgical instruments for the opening of any natural cavity of the body or the amputation of any member or part of the body. Such certificates may be refused, revoked or suspended as in the case of certificates to physicians and surgeons. (As amended 1917.)

Sec. 1289. FEES; QUALIFICATIONS: Before he shall be admitted to an examination before the State Medical Board a person who desires to practice osteopathy shall pay a fee of twenty-five dollars ($25) to its treasurer and file with its secretary such evidence of preliminary education as is required by law of applicants for examination to practice medicine or surgery, together with a certificate from an osteopathic examining committee as hereafter provided, showing that the applicant holds a diploma of a physician's osteopathic certificate from a reputable college of osteopathy as determined by such committee, and that he has passed an examination in a manner satisfactory to the committee in the subjects of pathology, physiological chemistry, gynecology, minor surgery, osteopathic diagnosis, and the principles and practice of osteopathy.

Sec. 1290. STATE OSTEOPATHIC EXAMINERS; TERMS: Upon recommendation of the Ohio Osteopathic Society, the State Medical Board shall appoint three persons who shall constitute the state osteopathic examining committee. One member of such committee shall be appointed each year, who shall serve for a term of three years.

Sec. 1291. REQUIREMENTS: Each person so appointed shall file with the State Medical Board a certificate of the Ohio Osteopathic Society that he is a graduate of a reputable college of osteopathy, that he has been engaged in the practice of osteopathy in this state for at least one year, that he is of good moral character, and is in good standing in his profession.

Sec. 1292. CERTIFICATE WITHOUT EXAMINATION: Upon recommendation of the osteopathic committee, the State Medical Board may dispense with the examination of an osteopath, duly authorized to practice osteopathy in another state, a territory or the District of Columbia, who wishes to remove from such state, territory or district and reside and practice his profession in this state, upon his complying with the following conditions:

Such osteopath shall make an application on a form prescribed by the board, pay a fee of fifty dollars ($50) and present a certificate or license issued by the proper board of such state, territory or district; provided the laws of such state, territory or district require of osteopaths practicing therein qualifications of a grade equal to those required of osteopaths practicing in Ohio, and equal rights are accorded by such state, territory or district to osteopaths of Ohio holding a certificate from the State Medical Board who desire to remove to, reside and practice their profession in such state, territory or district.

Sec. 1293. OSTEOPATHIC EXAMINERS: The osteopathic examining committee shall meet at the office of the State Medical Board for action on applications for osteopathic certificates at such time as the board directs; but the committee shall take no part in the deliberations of the board. Each member of the committee shall receive the same compensation as a member of the state board, payable as provided in such case.

Sec. 1294. COMPENSATION: The compensation and expenses of the members and officers of the State Medical Board, and the necessary expenses of the board, shall be paid from a fund in the state treasury for the use of the board, upon the warrant of the auditor of state, issued on vouchers signed by the president and secretary of the board.

Sec. 1295. ENFORCEMENT: The secretary of the State Medical Board shall enforce the provisions of law relating to the practice of medicine, surgery or midwifery in this state. If he has knowledge or notice of a violation of such law he shall investigate the matter and upon probable cause appearing file a complaint and prosecute the offender. When requested by the secretary, the prosecuting attorney of the proper county shall take charge of and conduct such prosecution.

Sec. 12694. Whoever practices medicine or surgery, or any of its branches before obtaining a certificate from the state medical board in the manner required by law, or whoever advertises or announces himself as a practitioner of medicine or surgery, or any of its branches, before obtaining a certificate from the state medical board in the manner required by law, or whoever opens or conducts an office or other place for such practice before obtaining a certificate from the state medical board in the manner required by law; or whoever not being a licensee conducts an office in the name of some person who has a certificate to practice medicine or surgery, or any of its branches; or whoever practices medicine or surgery, or any of its branches, after a certificate has been duly revoked, or, if suspended, during the time of such suspension, shall, for the first offense be fined not less than twenty-five dollars nor more than five hundred dollars, and for each subsequent offense be fined not less than fifty dollars nor more than five hundred dollars, or imprisoned in the county jail or workhouse not less than thirty days nor more than one year, or both.

A certificate signed by the secretary of the State Medical Board, to which is affixed the official seal of the said State Medical Board to the effect that it appears from the records of the State Medical Board that no such certificate to practice medicine or sur-

gery, or any of its branches, in the state of Ohio has been issued to any such person or persons specified therein, or that a certificate, if issued, has been revoked or suspended, shall be received as prima facie evidence of the record of such board in any court or before any officer of this state.

Sec. 13423, Justices of the peace, police judges and mayors of cities and villages shall have jurisdiction, within their respective counties, in all cases of violation of any law relating to:

* * * * 16. The violation of any law in relation to the practice of medicine or surgery, or any of its branches.

Sec. 12695. MIDWIVES MUST HAVE CERTIFICATES: Whoever practices midwifery without first obtaining a certificate from the State Medical Board, or other lawful authority authorizing her so to do, or so practices midwifery after such certificate has been duly revoked, or if suspended, during the time of such suspension, shall be fined not less than twenty-five dollars ($25) nor more than one hundred dollars ($100).

A certificate duly certified by the secretary of the State Medical Board, under the official seal of the said State Medical Board to the effect that it appears from the records of the State Medical Board that no certificate to practice midwifery in the state of Ohio has been issued to any person or persons specified therein, or that a certificate, if issued, has been revoked or suspended, shall be received as prima facie evidence of the record in any court or before any officer of the state.

Sec. 12696. OSTEOPATHY; VIOLATION; PUNISHMENT: Whoever announces or advertises himself as an osteopath, or practices as such, without complying with all the provisions of law relating to the practice of osteopathy, or so practices osteopathy after such certificate has been duly revoked, or if suspended, during the time of such suspension, shall be fined not less than twenty-five dollars ($25) nor more than five hundred dollars ($500) or imprisoned in the county jail not less than thirty (30) days nor more than one (1) year, or both.

A certificate duly certified by the secretary of the State Medical Board, under the official seal of the said State Medical Board to the effect that it appears from the records of the State Medical Board that no certificate to practice osteopathy in the state of Ohio has been issued to any person or persons specified therein, or that a certificate, if issued, has been revoked or suspended, shall be received as prima facie evidence of the record in any court or before any officer of the state.

Sec. 12697. FALSE CERTIFICATE; FORGED AFFIDAVIT; PUNISHMENT: Whoever files, or attempts to file, as his own, the medical diploma or certificate to practice of another, or files or attempts to file a false or forged affidavit of his identity with the State Medical Board, shall be imprisoned in the penitentiary not less than one (1) year nor more than five (5) years.

Sec. 12698. FALSE OATH; PENALTY: Whoever wilfully swears falsely in answer to a question asked him on his medical examination by the State Medical Board or in an affidavit required to be made or filed by him with such board, shall be imprisoned in the penitentiary not less than one (1) year nor more than five (5) years.

Sec. 12699. DISPOSITION OF FINES: All fines collected under the next five preceding sections shall be paid to the State Medical Board.

Sec. 12700. ISSUE OF FALSE CERTIFICATES; PUNISHMENT: Whoever makes, issues or publishes or causes to be made, issued or published, for the purpose of sale, barter or gift, a diploma, certificate or writing representing the holder thereof to be a graduate of a medical school, college or educational institution of medicine, unless such holder has attended a complete course of instruction therein equal to the average course of instruction in other such schools, colleges or institutions in good standing in this state, shall be fined not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned in the penitentiary not less than one (1) year nor more than three (3) years, or both.

Sec. 12701. FRAUDULENT DIPLOMAS; PENALTY: Whoever makes, issues, or publishes, for the purpose of sale, barter or gift, a certificate, diploma, or other writing or document falsely representing the holder or receiver thereof to be a graduate of a medical school, college or educational institution of medicine and entitled to the powers, privileges or degrees thereby pretended to be conferred; or sells or otherwise disposes of, or offers to sell or dispose of such diploma, certificate, writing or document containing such false representation; or uses his name, or permits it to be used, as a subscriber to such false and fictitious diploma, certificate, writing or document; or engages in the practice of medicine and surgery under and by virtue of such fradulent diploma, certificate, writing or document, shall be fined not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned in the penitentiary not less than one (1) year nor more than three (3) years, or both.

KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in CAPITALS signify membership in the American Medical Association through membership in constituent state and component county organizations (DOE, JOHN).

(H), (E), (P-M) Indicate, respectively, homeopath, eclectic, physio-medic.

b'75 Indicates year of birth.

Md.7,'09, college and year of graduation. For Medical College Key Table see inside front cover pages.

l'89 Indicates year of license in state where located.

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN ⊕). Commissioned medical officers of the Federal Government, while on active service, are Fellows of the American Medical Association.

A1,3, B6, C4 Membership in special societies. (See Key Table, page 7.)

U.S.A. United States Army.

U.S.N. United States Navy.

U.S.P.H.S. United States Public Health Service.

College positions held are indicated by abbreviated title of position followed by key number of college.

◊ Information received does not show graduation from a medical college.

△ Graduates of institutions not listed as medical colleges by the Council on Medical Education and Hospitals of the American Medical Association.

l† Licensed in state where located but year not known.

(‡) Information received does not show license in state where located.

(δ) In practice in state where located before passage of present law and licensed by filing diploma or by years of practice.

Measuring cap which double-seals the cork.

SOFOS

Sofos is a product of the research laboratories of the General Chemical Company —one of the world's leading scientific organizations—a strictly American institution.

SOFOS—An Entirely New Preparation

The therapeutic value of sodium phosphate was established years ago—is admitted beyond question today. But, the best, which means the most efficient form in which to administer sodium phosphate, is a matter of present day performance, as supplied by

SOFOS

a preparation of monosodium phosphate NaH_2PO_4 and sodium bicarbonate $NaHCO_3$.

Its freedom from citric or tartaric acid makes it available in all cases where sodium phosphate is advisable.

SOFOS effervesces in water and forms di-sodium phosphate.

One part of SOFOS contains almost twice as much sodium phosphate as the U.S.P. salt.

The pleasant taste and prompt laxative action of SOFOS make it superior. The absence of tartrates, citrates, or unsatisfied salts, assures efficient action, and insures against "nagging" irritation or subsequent costiveness.

SOFOS is particularly serviceable in children, old people, and in debilitated or adynamic states.

SOFOS has been accepted by the Council on Pharmacy and Chemistry of the A.M.A. for inclusion in New and Non-official Remedies.

Ask your pharmacist for SOFOS. If he hasn't any, notify us.

MEDICAL PRACTICE LAW OF OKLAHOMA

An Act

To Define and Regulate the Practice of Medicine; to Create a Board of Medical Examiners for the Examination and Licensing of Physicians and Surgeons and to Prescribe Their Qualifications; to Provide for Their Proper Revocation, and to Provide for the Revocation of Their License; to Require Itinerant Vendors to Procure a County License and to Fix Suitable Penalties for the Violation of This Act, and Repealing Laws and Parts in Conflict Herewith.

Be it enacted by the people of the state of Oklahoma:

Section 1. BOARD OF EXAMINERS: APPOINTMENT; TERMS; REQUIREMENTS: A State Board of Medical Examiners is hereby established to consist of nine members, learned in medicine, legal and active practitioners in the state of Oklahoma, who shall have resided and practiced medicine in the state under a diploma from a legal and reputable college of medicine of the school to which said practitioner shall belong, for more than three years prior to their appointment, and no one of such schools may have a majority on said board.

Provided, that for the societies represented by only one member, there shall be one alternate appointed by the governor to act at the meeting of said board in case of the absence or inability of the regularly appointed member. Said alternate to derive the same benefits and to subscribe to the same oath of office as the regularly appointed member of said board. The board shall be appointed by the governor of the state of Oklahoma within thirty days after this Act becomes effective, and the term of office therefor shall be for four years, or until a successor is appointed and qualified.

Provided, that the term of office of the first board shall expire with the term of the present governor in January, 1911. Vacancies occurring at any time on the board shall be appointed by the governor of the state of Oklahoma as provided for in this section, from a school of medicine from which the vacancy occurs, so that at no time shall one school have a majority on said board. It shall require a majority vote of said board to carry any motion or resolution, to adopt any rule or to pass any measure, or to issue a certificate to practice surgery and medicine in this Act provided. No member of said board shall be a stockholder or member of the faculty or board of trustees of any medical college or school.

Sec. 2. OATHS OF EXAMINERS: Each member of said board shall, before entering on the duties of his office, take the constitutional oath of office from some one qualified to administer oaths, and shall, in addition, make oath that he is a graduate in medicine, and a legally qualified practitioner in medicine and surgery in this state, or in the territory formerly known as Oklahoma, or what was formerly known as Indian Territory, for a period of three years preceding his appointment.

Sec. 3. ORGANIZATION; ADMINISTRATION: The State Board of Medical Examiners shall, immediately after the members shall qualify, organize by electing a president, vice-president, secretary and treasurer. The president of said board shall preside at all meetings of the board and perform such other duties as the board by their rules may prescribe. The vice-president shall perform all the duties of the president during the latter's absence or inability. The secretary shall keep a record of the proceedings of the board and perform such other duties as are prescribed in this Act, or which may be prescribed by said board. The treasurer shall, in order to qualify, give bond in the sum of five thousand dollars ($5,000), the same to be approved by the governor and filed with the secretary of state. It shall be his duty to receive and care for all money from the secretary, receipting him therefor, and to pay out the same upon written order of the secretary, countersigned by the president.

Sec. 4. RECORDS OF BOARD; ANNUAL OFFICIAL COPY OF REGISTER: The Board of Medical Examiners shall preserve a record of its proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant, the time spent in medical study in respective medical schools, and the year and school from which degrees were granted. Said register shall also show whether applicants were rejected or licensed, and shall be prima facie evidence of all matters concerned therein. The secretary of the board shall, on March first of each year, transmit an official copy of said register to the secretary of state for permanent record, a certified copy of which, with the hand and seal of the secretary of the state board or secretary of state, shall be admitted in evidence in all courts of the state.

Sec. 5. MEETINGS; POWER: Said board shall hold regular meetings every three months in some convenient city or town in this state for the consideration of certificates, and may transact such other business as may properly come before it, and shall have the power to adjourn from time to time, until its business is concluded. Notice of the regular meeting of the board shall be given thirty days previous to the meeting of said board, by publication in at least one daily newspaper in each supreme judicial district. Said board shall procure a seal for its use and shall receive through its secretary applications for certificates provided to be issued under this Act.

Sec. 6. ADOPTION OF RULES; AUTHORITY OF INDIVIDUAL MEMBERS: Said board may from time to time adopt such rules as may be necessary to carry into effect the provisions of this Act. Any member of the board may administer oaths in all matters pertaining to the duties of said board and the board shall have authority to take evidence on questions pertaining to the enforcement of this Act.

Sec. 7. APPLICANTS; CREDENTIALS; EXAMINATIONS; OSTEOPATHY DEFINED; TO WHOM NOT APPLIED: Every person, before practicing medicine and surgery or any of the departments of medicine and surgery in this state, must have the credentials herein provided for. In order to secure such credentials he must produce satisfactory evidence of a good moral character, and a diploma issued by some legally chartered medical school or college; the requirements of such medical school or college shall have been at the time of granting such diploma in no particular less than those prescribed by the American Association of Medical Colleges, or the Southern Association of Medical Colleges in that year in which the said diploma was granted. Or he must show such satisfactory evidence of having possessed such diploma or license from some legally constituted institution which grants medical and surgical licenses only on actual examinations, or satisfactory evidence of having possessed such license or diploma. He must accompany said diploma or license with an affidavit showing that he is the person therein named and that the diploma or license was procured in the regular course without fraud or misrepresentation of any kind, such affidavit to be taken before any person authorized to administer oaths. The same shall be attested under the hand and seal of such officer, if he have a seal.

In addition to such affidavit, the board shall hear such information as in its discretion it may deem proper as to any of the matters embraced in said affidavit. If it should appear from the evidence that said affidavit is untrue in any particular, or if it should appear that the applicant is not of good moral character, the application must be rejected; provided, that osteopaths shall be subjected to the above regulations with the exception that instead of the diploma hereinbefore mentioned they shall be required to file a diploma from a legally chartered college of osteopathy in good repute as such, having a course of instruction of at least twenty months, requiring actual attendance thereon, and after 1907 of three years of nine months each.

In addition to the requirements above set out, each applicant for a certificate, upon the payment of a fee of fifteen dollars ($15) to the Secretary of the State Board of Medical Examiners, must be personally examined by said board as to his qualifications to practice medicine and surgery. The examination must be conducted in the English language, and shall be in whole or in part in writing, and shall be in the following branches, to wit, which branches shall be considered fundamental: Anatomy, histology, physiology, chemistry, physical diagnosis, bacteriology, pathology, medical jurisprudence, toxicology, surgery, gynecology and obstetrics, the branches peculiar to the teaching of the school attended by the applicant, and such other additional subjects made necessary by the advance in medical education as the board may designate or deem advisable to test out scientific and practical knowledge of the applicant; provided, that the application shall be examined in theory and practice, materia medica and therapeutics by those members of the board of examiners who represent the school of practice to which applicant professes to belong; and be it further provided, that those legally qualified to practice medicine in that school known as osteopathy shall not be permitted to administer medicine internally in the treatment of diseases except in the use of aesthetics in the practice of surgery and obstetrics, and in cases of emergency.

The credentials of applicants which shall be sworn to by the applicants, relating to their general reputation, their preliminary education, and the course of studies that they have pursued; the degrees that they have received, the number of years they have been engaged in the lawful practice of medicine; their experience in general hospitals, the medical department of the Army, Navy and Public Health Service and Marine Hospital Service, licenses granted to them by other states and countries, and

their experience as teachers of medicine. All these shall be given consideration by the board in conducting its examinations.

Provided, that nothing herein contained shall be construed to prevent midwives from practicing in cases of emergency.

Provided further, that those who use herbs and roots and treat diseases without compensation shall not be required to register.

Provided, however, that all physicians who have lawfully registered since statehood shall not be required to reregister under this Act.

Sec. 8. RECIPROCITY; FEE: The said board may, at its discretion, accept and register upon payment of the registration fee without examination of the applicant, any certificate which shall have been issued to him or her, by the state board of examiners of other states, territories or the District of Columbia.

Provided, however, that the legal requirements of such medical examining board shall have been at the time of issuing such certificate in no degree or particular less than those of Oklahoma at the time when such certificate shall be presented for registration to the board created by this Act.

And provided further, that the provisions provided in this Act shall be held to apply only to such of said medical examining board as accept and register the certificates granted by this board without examination by them of the one holding such certificate. Each applicant upon making application shall pay to the secretary of the board a fee of twenty-five dollars ($25), which shall be paid into the treasury of said board by its secretary.

Sec. 9. HOW EXAMINATIONS ARE CONDUCTED; TEMPORARY PERMITS: The said Board of Medical Examiners shall grade and conduct all examinations and all applicants who shall make an average grade of 70 per cent. and a minimum in any one branch of 50 per cent., and who shall have complied with the conditions in Section 7 of this Act, shall receive the certificate entitling such applicant to practice medicine in this state, subject to the performance by the said applicant of the heretofore preliminary conditions in this Act required.

The applicants shall be known by numbers so that no member of said board shall be able to identify the applicants with their respective papers until said papers shall finally be graded. The questions and answers with their respective grades attached shall be preserved for two years and shall be open to public inspection by all persons interested. In case of failure to secure the percentage required for a passing grade, the applicant may take another examination within twelve months without extra cost. Temporary permits may be granted and shall be effective until the next meeting of the board unless sooner revoked for cause;

Provided, that the applicant shows good faith by payment to the secretary of the State Board of Medical Examiners the regular examination fee and delivering to the board such credentials and other evidence of intentions to become a bona fide resident of the state, as the board may require.

Sec. 10. CERTIFICATE; REGISTRATION; REGISTRATION: When any applicant has shown himself to be possessed of the qualifications herein required and has successfully passed the examination, a certificate must be issued to him by said board authorizing him to practice medicine and surgery in this state. Said certificate shall be signed by each member of the board and sealed with the seal of said board; provided, however, that all physicians and surgeons who are legally licensed and practicing in Oklahoma Territory and the Indian Territory on the 16th day of November, 1907, shall be required to register with the said board, but shall be exempt from examination, except as to their credentials, and shall be entitled to reregistration with the said board, and certificate of registration free of cost; provided, however, that said physician and surgeon desiring reregistration shall make an application therefor within ninety days after this Act becomes operative; such physician and surgeon failing to make such application within the said ninety days, shall be considered an illegal practitioner, and shall be dealt with as herein provided, for the violation of this Act.

Sec. 11. CERTIFICATE TO BE RECORDED; CHANGE OF RESIDENCE; VIOLATION; PUNISHMENT: Every person holding a certificate authorizing him to practice medicine and surgery in this state must have it recorded in the office of the county clerk, as herein provided. Every such person on the change of residence must have his certificate recorded in like manner in the county to which he shall have changed his residence, and said certificate shall be displayed in his office as evidence of having complied with the law. The absence of such record shall be prima facie evidence of the want of possession of such certificate, and every such person holding such certificate who shall practice medicine and surgery or attempt to practice medicine and surgery without first having recorded same with the county clerk as herein provided, shall be deemed guilty of a misdemeanor.

Sec. 12. COUNTY CLERK'S MEDICAL REGISTER: It shall be the duty of the county clerk of the several counties of the state, immediately on the taking effect of this Act, to purchase, at the expense of the county, a suitable book to be known as the "medical register" for the purpose herein set forth; said record shall be open to public inspection during office hours. The county clerk shall receive compensation in the manner provided in the statutes of Oklahoma for the recording of similar documents.

Sec. 13. REFUSAL OF CERTIFICATE; REVOCATION; DEFINITION OF UNPROFESSIONAL CONDUCT: Said board must refuse a certificate to any applicant guilty of unprofessional conduct; but before such refusal the applicant must be cited by citation signed by the secretary of the board, and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the board charging the applicant with having been guilty of unprofessional conduct and setting forth the particular act constituting such unprofessional conduct. Upon the filing of such complaint the secretary must forthwith issue a citation and make the same returnable at the next session of the board, occurring at least thirty days next after filing of the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of such unprofessional conduct shall be heard, and the particular unprofessional conduct with which the applicant is charged. The applicant shall file written answer under oath within twenty days after service on him of such citation, or default will be taken against him and his application for certificate refused. The attendance of witnesses shall be compelled at such hearing by subpoenas issued by the secretary of the board under its seal, and said secretary shall in no case refuse to issue any such subpoena upon the fee of 25 cents being paid to him for its issuance.

Said citation and said subpoena shall be served in accordance with the statute of this state, then in force, as to the service of citation and subpoenas generally, and all the provisions of the statutes of this state, then in force, relating to the subpoenas are hereby made applicable to the subpoenas provided for herein. If any person refuses to obey a subpoena served by him or her according to the statutes of this state, then in force, providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the secretary of said board under the seal thereof, to the county court of the county in which the service was had, and said court shall proceed to hear said matter in accordance with the statutes of this state then in force as to contempt for disobedience of its own process. In all cases of illegal or unprofessional conduct, arising under the provisions of this Act, and all the provisions of the statutes of the state then in force as to the taking of deposition are hereby made applicable to the taking of testimony under this Act. If the applicant shall fail to file with the secretary of the said board his answer under oath to the charges made against him within twenty days after the service on him of said citation, or within such further time as the board may give him, the charges on the face may be deemed sufficient by the board and the default may be entered against him and his application refused.

Whenever any holder of a certificate issued as herein provided shall be guilty of unprofessional conduct as defined by this Act, and such unprofessional conduct is brought to the attention of the board granting said certificate in the manner herein pointed out, it shall be their duty to and they must at once revoke the same, and the holder of such certificate shall not thereafter be permitted to practice medicine and surgery or in any other departments of medicine and surgery in this state. But no such revocation shall be made unless such holder is cited to appear and the same proceedings are had as are hereinbefore provided in this section, in case of refusal to issue certificate. The accused party at the time he presents his answer for filing shall deposit with the secretary his certificate, and unless he does so, the secretary must not file his answer, and default may be thereon entered against him, and his certificate revoked if the charges on their face be deemed sufficient by the board.

When the certificate is revoked, the secretary of the board, if the certificate has been deposited with him, shall write across the face thereof in red ink, the fact of such revocation, and shall file each certificate so revoked among the archives of his office under the seal of the board of the county clerk of the county in which the certificate of the person whose certificate has been revoked is recorded, and said county clerk must thereupon write on the margin or across the face of his register the fact and day of such revocation in accordance with this Act.

From the time of the revocation of the certificate the holder shall be disqualified from practicing medicine in this state.

The words "unprofessional conduct" as used in this Act are hereby declared to mean:

First, the procuring or aiding or abetting in procuring a criminal operation.

Second, the obtaining of any fee on the assurance that an incurable disease can be permanently cured.

Third, the wilful betrayal of a professional secret to the detriment of a patient.

Fourth, all advertising of medical business in which grossly improbable statements are made that are calculated to mislead the public.

Fifth, all advertising of any medicine or means whereby the monthly periods of women can be regulated or menses reestablished, if suppressed.

Sixth, conviction of any offense involving moral turpitude.

Seventh, habitual intemperance and habitual use of habit-forming drugs.

Eighth, the employment of what is commonly known as "cappers" or "steerers" in procuring practice. These specifications are not intended to exclude other acts for which license may be revoked on the ground of unprofessional conduct.

Sec. 14. COMPENSATION OF BOARD: Said board shall fix the salary of the secretary not to exceed one hundred fifty dollars ($150) per year, and the other members of said board shall receive not to exceed six dollars ($6) per diem for each and every day of actual service in the discharge of their duties under this Act, and the necessary traveling expenses, and all money in excess of the actual expenses of the board, as provided by this Act, shall be paid annually into the state treasury.

Sec. 15. VIOLATION; PUNISHMENT: Any person practicing medicine and surgery in this state without having at the time a valid, unrevoked certificate as provided in this Act, shall be deemed guilty of a misdemeanor and shall be fined not less than one hundred dollars ($100) nor more than five

hundred dollars ($500) or by imprisonment for a term of not less than sixty (60) days nor more than one hundred eighty (180) days, or by both such fine and imprisonment, and each day's practice shall constitute a separate offense. All fines under the provisions of this section shall be paid into the road and bridge fund of the county wherein the conviction is secured.

Sec. 16. NON-COMPLIANCE WITH LAW: Any person who shall render professional services as a physician in this state, without first complying with the provisions of this Act, shall, in addition to other penalties prescribed herein, receive no compensation for such service; and no indebtedness shall be created thereby against the person for whose benefit such service shall be rendered.

Sec. 17. FALSE CLAIMS: Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person entitled to the same, shall be guilty of felony, and upon conviction thereof shall be subject to such penalties as provided by the laws of this state for the crime of forgery.

Sec. 18. PRACTICE OF MEDICINE DEFINED: The following persons shall be deemed as practicing medicine and surgery within the meaning of this Act:

First, those who prescribe or administer any drug or medicine now or hereinafter included in materia medica in the treatment of disease, injury or deformity of human beings.

Second, those who practice major or minor surgery in the treatment of disease, injury or deformity of human beings, except dealers in surgical, dental or optical appliances.

The doing of any of the acts in this section mentioned shall be taken as prima facie evidence of an intent on the part of the person doing any of the said acts to represent himself as engaged in the practice of medicine or surgery, or both. But nothing in this Act shall be so construed as to prohibit the service in the case of emergency or the domestic administration of family remedies; nor shall this Act apply to any commissioned officer in the United States Army, Navy or Marine Hospital Service in the discharge of his professional duties, nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another state or territory, when in actual consultation with a legal practitioner of this state, if such physician or surgeon is at the time of said consultation a legal practitioner of medicine and surgeon in the state or territory in which he resides, nor to any physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this state, provided that such physician or surgeon shall not open an office or a place to meet patients or receive calls within the limits of this state.

Sec. 19. ANNUAL LICENSE FOR SELLING MEDICINE; FEE; VIOLATION; PUNISHMENT: It shall be unlawful for any person to sell or offer for sale by peddling or offer for sale from house to house, or to offer for sale by public outcry, or to be vending in the streets, any drug or medicine, pharmaceutical preparation, chemical or any implement or appliance or other agency for the treatment of disease, injury or deformity, or by writing or printing or any other method to publicly profess to cure or treat any disease, injury or deformity by any drug, nostrum, manipulation or other expedient, without previously obtaining a license therefor as herein provided. An annual county license fee of fifty dollars ($50) is hereby levied upon all such itinerant vendors doing business in any county in this state. Said sum shall be paid to the county clerk, who shall pay the same over to the county treasurer for the use of the county road and bridge fund of said county. The county clerk shall thereupon issue a license fee and is authorized to do business as above described in this section, in that county for one year. Provided, however, that this shall not prevent incorporated towns or cities from levying an additional license on such vendors of aforesaid articles or goods. Any person who shall violate this section shall upon conviction be fined not less than fifty dollars ($50) nor more than one hundred dollars ($100) or imprisonment, said fine to be turned over to the county treasurer for the use of the county road and bridge fund.

Sec. 20. ANNUAL REPORT OF BOARD: Said Board of Medical Examiners shall annually on or before the first day of January file with the governor a correct written report of all their proceedings, and account for all moneys received and paid out by them during the year.

Sec. 21. APPEAL TO DISTRICT COURT: Any person who has been aggrieved by any act, rule or regulation of said board shall have his right of action to have such issue tried in the district court of the county in which some member of the board shall reside.

Sec. 22. FINES: Any person who shall violate any of the provisions of this Act, except as otherwise provided, shall be fined not less than ten dollars ($10) nor more than one hundred dollars ($100) for each offense.

Sec. 23. REPEAL: Sections 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10 of Chapter V of the session laws of the Territory of Oklahoma, 1893, and Sections 1, 2, 3, 4, 5, 6, 7 and 8 of Chapter 22 of the session laws of the Territory of Oklahoma of 1893, and Section 15 of Chapter 28 of the session laws of the Territory of Oklahoma, 1897, together with all acts and parts of acts in conflict with this Act, are hereby repealed.

Approved June 10, 1908.

STATE HEALTH DEPARTMENT

Arthur R. Lewis, Commissioner, Oklahoma City; J. P. Folan, Assistant Health Commissioner.

Yale Hospital, Yale, Okla. Established 1919; private; general; 12 beds; Ralph E. Weller, surgeon; W. B. Hudson, physician; Cora C. Deiner, R.N., and Lucile Tauchman, R.N., superintendents.

PHYSICIANS OF OKLAHOMA

EXPLANATORY NOTE:—The Medical Practice Act of Oklahoma was enacted in 1908 and provided for a general registration of all physicians of the state, all previous registrations being rendered void. Accordingly, all physicians in practice in Oklahoma at the time the law was enacted and who complied with the registration feature are entered (♁). The names of physicians reported as practicing, but concerning whom information of reregistration has not been received are entered (‡). Physicians licensed since the enactment of the law are entered with the year of license following their names.

FOR KEY TO SPECIALTIES, ABBREVIATIONS, SYMBOLS, ETC., SEE PAGES 6 AND 7; SPECIAL SOCIETIES, SEE PAGE 78

KEY TO SPECIALTIES AND SPECIAL SOCIETIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS A MEMBER (1) OF A CONSTITUENT STATE ASSOCIATION, (2) OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) IS A TEACHER IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:

S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology.
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.
I★—Internal Medicine.
T—Tuberculosis.
Anes—Anesthesia
CP—Clinical Pathology.
R—Roentgenology.
Path—Pathology.
Bact—Bacteriology.
PH★—Public Health.

WHEN THE ABBREVIATION DESIGNATING A SPECIALTY IS FOLLOWED BY AN ASTERISK (★) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WTHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

SPECIAL SOCIETIES

The special societies are grouped under headings A, B, C, D, E, F and G, pages 78-127. The membership a physician holds in these societies is indicated as follows: Doe, John; Ill.1,'97; I'98; A5, F4—43 N State St. The A5, F4 signify that Dr. Doe is a member of the American Surgical Association and the Chicago Pathological Society.

MEDICAL PRACTICE LAWS OF OREGON

A Bill

For an act to further provide for the practice of medicine and surgery and amending Section 4733 of Lord's Oregon Laws as amended by Chapter 241 of the general laws of Oregon of 1913 and Chapter 252 of the general laws of Oregon of 1915.

Be it enacted by the people of the State of Oregon:

Section 1. That Section 4733 of Lord's Oregon Laws as amended by Chapter 241 of the general laws of Oregon of 1913 and by Chapter 252 of the general laws of Oregon of 1915, be and the same is hereby amended so as to read as follows:

Sec. 4733. The State Board of Medical Examiners may from time to time adopt such rules as it may deem wise, just and necessary for determining the qualifications of applicants for license to practice, with respect to their moral character, general and special education and the class and standing of medical schools and colleges from which such applicants shall have graduated and each applicant graduating hereafter must produce satisfactory evidence of graduation from a medical school or college which at the time of his graduation required at least four full terms of instruction of eight months each, and that he has pursued and graduated from such course of instruction. The board shall have full power and authority to make any rule by a majority vote thereof which it deems necessary to bring such standards of requirements for license to practice up to such standards of other states.

Every person, except as hereinafter provided, desiring to practice medicine and surgery, or either of them, in any of their or its, branches in this state, shall make a written application to said board for a license so to do, which application shall be supported and accompanied by an affidavit of such applicant, setting forth the actual time spent in the study of medicine and surgery, the institution of learning, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit to be filed and preserved of record in the office of the secretary of said board. Such applicant at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches, to wit: anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, and such other branches as the board shall deem advisable. Such board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written and partly printed, questions and answers and the same shall be filed and preserved of record in the office of the secretary of said board. After examination in the above named branches, if the applicant shows a proper proficiency in any one or more of said branches, said applicant shall not be required to be reexamined in said branch or branches in which he or she has shown a proper proficiency, and on reexamination by said board shall be required only to be reexamined in the branch or branches in which he or she did not show a proper proficiency; and a proper proficiency as used in this statute shall be held to be a 75 per cent. grade in any one of the said above named branches. After said applicant shall have passed the examination and obtained a 75 per cent. grade in each of the above named branches at one or more examinations, then said board shall grant a license to said applicant to practice medicine and surgery in the state of Oregon, and if said board, after said grade has been made by the applicant by said examinations, shall fail or refuse to grant said applicant a license, then said applicant can appeal to the circuit court of the state of Oregon for a license to practice medicine, and it shall be the duty of the clerk of said board to preserve all written questions and answers of the applicant's for examination, and when so requested by the applicant, to file such questions and answers with the county clerk in which county said examination was conducted, and said clerk shall preserve said written questions and answers for review by the circuit court of the state of Oregon, and which said license shall be signed by the president and secretary of the board and attested by the seal thereof. The fee for such examination shall be twenty-five dollars ($25) and shall be paid by the applicant to the treasurer of said board toward defraying the expenses thereof; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; provided, that all persons who have been regularly licensed under heretofore existing laws of this state, and having complied with the provisions thereof, shall be taken and considered as licensed physicians under this Act, and the secretary of the board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons; provided further, that in all cases where an applicant for a license under this Act shall produce and exhibit to the examining board a certificate from the board of medical examiners appointed under the laws of any state of the United States, which state recognizes licenses from this state, certifying to the fact that the person presenting such certificate is duly and well qualified to practice medicine and surgery in the state issuing such certificate, and that said board issuing said certificate has subjected the applicant to a thorough examination to ascertain this fact, he or she may, at the discretion of the examining board, upon paying one hundred dollars ($100) and otherwise complying with all the requirements of this Act, receive from the examining board, provided for in this Act, a license as if examination of said applicant was had in this state, and upon filing such license with the county clerk, as herein provided, he or she shall be a legally qualified practitioner of medicine and surgery in this state, subject to all the provisions of this Act as to the revocation of said license, as herein provided; provided further, that those applying for reciprocity under this Act shall present satisfactory evidence of graduation from a college of medicine or osteopathy now requiring four terms of instruction of eight months each.

Sec. 2. Said board shall have power to employ inspectors, special agents and investigators for the purpose of enforcing the laws relating to medicine and surgery and securing evidence of violations thereof, and necessary clerical assistants, and to fix the compensation therefor, and to incur such other expenses as it may deem necessary. The State Board of Medical Examiners shall fix the salary of the secretary and the sum to be paid to other members of the board for each and every day of actual employment in the discharge of such official duties, who shall also receive the necessary traveling and other expenses incurred by them.

Sec. 3. The money received by the board shall be paid to the treasurer of said board, who shall transmit the same to the state treasurer to be deposited by him in the general fund of the state and credited as and shall constitute an appropriation from said general fund in favor of said Board of Medical Examiners to be used in the payment of the necessary expenses incurred by authority of said board or in connection with the laws relating to medicine and pharmacy.

Sec. 4. APPEAL; NOTICE TO BOARD: In any case of the refusal or revocation of a license by said board under the provisions of this Act, the applicant whose application shall be so refused, and the licentiate whose license shall be revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said board as hereinbefore in this Act provided. Such appeal shall be to the circuit court in and for the county in which was held the last general meeting of said board, prior to the refusal of such license, in case of such refusal; and to the circuit court in and for the county in which the hearing was held upon which such license was revoked, in case of revocation. In any case a person desiring to take such appeal shall serve, or cause to be served, upon the secretary of said board a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond with good and sufficient surety, to be approved by said secretary, to the state of Oregon, conditioned for the speedy prosecution of such appeal and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall, within ten days after the service of said notice of appeal and the filing and approval of said appeal bond, transmit to the clerk of the circuit court to which such appeal is taken a certified copy under the seal of said board, and the grounds thereof in the case of refusal of license; and in addition thereto a certified copy, under such seal, of the complaint in the cause of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal cases, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said circuit court to the supreme court of the state in like manner as in civil actions, within sixty days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from the decision of said board, and in case examining board does not appeal from judgment within sixty days, then and in that case said board shall, at the end of sixty days, and immediately upon the

expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this state, and in addition thereto shall reinstate upon the records of said board the name of such successful applicant in case of the revocation of his license by such board. In case of such appeal to the supreme court by said board, no such license shall be issued or reinstatement be required until the final determination of said cause, as hereinafter provided. In case the final decision of the supreme court be against said medical examining board, then and in that case said court shall make such order in the premises as may be necessary, and said board shall act accordingly; provided, that in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against same.

Sec. 5. LICENSE TO BE FILED; REMOVAL TO ANOTHER COUNTY: The person receiving said license shall file the same, or a copy thereof, with the county clerk in and for the county where he resides, and said county clerk shall file said certificate or copy thereof, and enter a memorandum thereof, giving the date of said license and the name of the person to whom the same is issued, and the date of such filing, in a book to be provided and kept for that purpose; and said county clerk shall each year furnish to the secretary of said board a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said county clerk shall enter at the appropriate place in the record so kept by him a memorandum of said facts, so that the records kept by said county clerk shall correspond with the records of the board as kept by the secretary thereof. In case a person so licensed shall move into another county of this state, he or she shall procure from the county clerk a certified copy of said license and file the same with the county clerk in the county to which he or she shall remove. Said county clerk shall file and enter the same with like effect as if the same was the original license.

Sec. 6. PRACTICING WITHOUT LICENSE; PENALTY; PRACTICE OF MEDICINE DEFINED: Any person practicing medicine or surgery within this state after the first day of April, 1895, without first having obtained the license herein provided for or contrary to the provisions of this Act, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than fifty dollars ($50) nor more than one hundred dollars ($100), or by imprisonment in the county jail not less than ten (10) days nor more than ninety (90) days, or by both such fine and imprisonment. All such fines shall be paid into the state treasury for the use and benefit of the common schools. Any person shall be regarded as practicing within the meaning of this Act who shall append the letters "M.D." or "M.B." to his or her name, or, for a fee, prescribe, direct or recommend for the use of any person any drug or medicine or agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, the Act shall not apply to dentists the practice of their dental profession. Justices of the peace and the respective municipal courts shall have jurisdiction of violations of the provisions of this Act. It shall be the duty of the respective county or district attorneys to prosecute all violations of this Act. In cases of appeals to the circuit court, as hereinbefore provided, it shall be the duty of the district attorney of the county wherein such appeal shall be tried to represent said board on said appeal, and in all cases of appeal to the supreme court under the provisions of this Act the attorney-general shall represent said board on such appeal.

Sec. 9. REPEAL: All laws and parts of laws in conflict herewith are hereby repealed.

Sec. 10. Whereas great harm and much bodily suffering and pain may result from the insufficiency of our present medical and surgery laws, therefore an emergency is declared to exist, and this Act shall take effect and be in force from and after its approval by the governor.

Approved Feb. 23, 1895.

Amendment of 1907 Regarding Osteopathy

As Amended Feb. 21, 1917.

An Act

To Regulate the Practice of the System, Method or Science of Treating Diseases Known as Osteopathy, and Creating a Member of the Board of Medical Examiners of the State of Oregon, and Providing a Penalty for the Violation of This Act.

Be it enacted by the people of the state of Oregon:

Sec. 4740. Any person holding a diploma from an established school of osteopathy, recognized as of good standing by the Oregon Osteopathic Association, and wherein the course of study comprises at least three years of nine months each, shall, upon application and presentation of such diploma to the State Board of Medical Examiners and satisfying such board that he is the legal holder thereof, be granted by such board an examination in the following subjects: Anatomy, physiology, chemistry, surgery, bacteriology, histology, pathology, gynecology, obstetrics, theory and practice of osteopathy, diagnosis; provided, however, that until such time as there may be appointed an osteopathic physician on said board, as hereinafter provided, the theory and practice of osteopathy shall not be included in any such examination; and provided, that after Feb. 1, 1919, the minimum requirements for such examination shall consist of a high school diploma, or its equivalent, and a diploma from a regularly conducted school of osteopathy whose course of study shall comprise at least four years of eight months each; provided further, after Feb. 1, 1919, no school of osteopathy whose curriculum includes a course in materia medica, pharmacology or prescription writing is to be considered for the purpose of this Act to be a regularly conducted school of osteopathy. The fee for said examination, which shall accompany the application, shall be $10, and it shall be paid to the treasurer of said board and used by said board as are the other fees received by it. Except as herein otherwise provided, such examination shall be conducted in the same manner as is prescribed by law for other examinations by said board. After examination, if the same is satisfactory, said board shall grant a license to such applicants to practice osteopathy and the science of healing as taught in the branches and embraced in the subjects covered by said examination in the state of Oregon, which said license can only be granted by the consent of not less than four (4) members of said board except as hereinafter provided, and said license shall be signed by the president and secretary of said board and attested by the seal thereof. All persons who have been regularly licensed to practice osteopathy in the state of Oregon under heretofore existing laws of this state shall be entitled to a license under the provisions of this Act upon making applicaton therefor. In all cases where an applicant for license under this Act shall produce and deliver to the examining board a certificate from another board of medical examiners appointed under the laws of any state of the United States, which state recognizes licenses from this state, certifying to the fact that the person presenting such certificate is duly and well qualified to practice osteopathy and the science of healing as taught in the branches and embraced in the subjects covered by said examination in the state issuing the certificate, and said board issuing said certificate has subjected the applicant to a thorough examination to ascertain said facts, such applicant may at the discretion of the Examining Board, upon the payment of a fee of $10 and otherwise complying with the requirements of the laws of this state, receive from the board a license to the same effect and in the same form as if the examination of said applicant was held in this state, and shall thereupon be legally qualified to practice osteopathy and the sciences of healing as taught in the branches and embraced in the subjects covered by said examination. The holder of a certificate issued under the authority herein contained shall be entitled to use the words "Osteopathic Physician and Surgeon" to designate his profession and is hereby authorized to issue any certificate which is authorized or required from any physician or surgeon under the laws of this state, and shall be privileged to use anesthetics and antiseptics.

Approved by the Governor Feb. 21, 1917.

Filed in the office of the Secretary of State Feb. 21, 1917.

STATE BOARD OF HEALTH

KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in CAPITALS signify membership in the American Medical Association through membership in constituent state and component county organizations (DOE, JOHN).

(H), (E), (P-M) Indicate, respectively, homeopath, eclectic, physio-medic.

b'75 Indicates year of birth.

Md.7,'09, college and year of graduation. For Medical College Key Table see inside front cover pages.

l'89 Indicates year of license in state where located.

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN ⊕). Commissioned medical officers of the Federal Government, while on active service, are Fellows of the American Medical Association.

A1,3, B6, C4 Membership in special societies. (See Key Table, page 7.)

U.S.A. United States Army.

U.S.N. United States Navy.

U.S.P.H.S. United States Public Health Service.

College positions held are indicated by abbreviated title of position followed by key number of college.

◊ Information received does not show graduation from a medical college.

△ Graduates of institutions not listed as medical colleges by the Council on Medical Education and Hospitals of the American Medical Association.

l† Licensed in state where located but year not known.

(‡) Information received does not show license in state where located.

(δ) In practice in state where located before passage of present law and licensed by filing diploma or by years of practice.

KEY TO SPECIAL SOCIETIES

The special societies are grouped under headings A, B, C, D, E, F and G, pages 78-127. The membership a physician holds in these societies is indicated as follows: Doe, John; Ill.1,'97; l'98; A5, F4—43 N State St. The A5, F4 signify that Dr. Doe is a member of the American Surgical Association and the Chicago Pathological Society.

ARSPHENAMINE (ARSENOBENZOL)

AND

NEOARSPHENAMINE

The *Dermatological Research Laboratories* were not organized for commercial purposes and are *not conducted for private gain.* The profits made on Arsphenamine and Neoarsphenamine are placed in a fund which is set aside for the support of medical research.

Our laboratories were fortunately prepared to supply Arsphenamine at the beginning of the war to our Army and Navy at a time when there was no other adequate source of supply. About 400,000 ampules were furnished to the U. S. Government. The efficacy and safety of this compound, as determined by the Medical Department of the Army and Navy, has been a source of great gratification to us.

Our compounds are likewise used by the leading syphilologists of the United States. Chemical analyses, toxicity experiments on animals and clinical results all confirm the statement that our Arsphenamine and Neoarsphenamine are of *extremely high purity.*

DERMATOLOGICAL RESEARCH LABORATORIES

(Incorporated as an Institute for Medical Research)

1720-1722 LOMBARD STREET, PHILADELPHIA

The Radio Chemical Corporation

This Corporation has an ample supply of Radium salts of the highest purity for use in surgery and gynecology.

Immediate deliveries are now available on the basis of U. S. Bureau of Standards measurement.

We guarantee that the radiations of our Radium salts are due solely to Radium element and its own decomposition products.

Our Medical Staff will give instruction in the physics and therapeutics of Radium.

"The National Radium Bank" has been instituted by us for the sale or rental of Radium to qualified physicians and hospitals.

Special arrangements may be made for divided payment on purchases.

The Radio Chemical Corporation manufactures improved applicators, screens and other special equipment made with alloys of our own development, also apparatus for the purification and concentration of Radium emanation.

MEDICAL PRACTICE LAW OF PENNSYLVANIA

An Act

Relating to the Right to Practice Medicine and Surgery in the Commonwealth of Pennsylvania; and providing a Bureau of Medical Education and Licensure as a Bureau of the Department of Public Instruction; and means and methods whereby the right to practice medicine and surgery and any of its branches may be obtained, and exemptions therefrom; and providing for an appropriation to carry out the provisions of said Act; and providing for revocation and suspension of licenses by said bureau; and providing penalties for violations thereof, and repealing all Acts and parts of Acts inconsistent therewith.

Whereas, the safety of the citizens of this commonwealth is endangered by incompetent physicians and surgeons, and a due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be permitted to practice their profession.

Section 1. PRACTICE OF MEDICINE AND SURGERY: Be it enacted by the senate and house of representatives of the commonwealth of Pennsylvania, in general assembly met and it is hereby enacted by the authority of the same, That on and after Jan. 1, 1912, it shall not be lawful for any person in the state of Pennsylvania to engage in the practice of medicine or surgery, or to hold himself or herself forth as a practitioner in medicine and surgery, or to assume the title of doctor of medicine and surgery, or doctor of any specific disease, or to diagnose diseases, or to treat diseases by the use of medicines and surgery, or to sign any death certificate, or to hold himself or herself forth as able to do so, excepting those hereinafter exempted, unless he or she has first fulfilled the requirements of this Act and has received a certificate of licensure from the Bureau of Medical Education and Licensure created by this Act, which license shall be properly recorded in the office of the superintendent of public instruction at Harrisburg.

On first offense, any person wilfully violating the provisions of this section of this Act, shall, upon conviction, be deemed guilty of a misdemeanor, and shall be subject to a fine of not more than five hundred dollars ($500), or imprisonment for not more than six months in the county prison, or both or either, at the discretion of the court; on second offense, shall be subject to a fine of not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000), and imprisonment for not less than six (6) months nor more than one year, at the discretion of the court; provided, that this section shall not apply to those persons who, under the laws of the commonwealth, at the date of the passage of this Act, have been accorded the right by a licensing certificate to diagnose and treat disease, medically and surgically, and to sign the form of death certificate required by laws of this commonwealth, or who are exempt therefrom by further provisions of this Act.

Sec. 2. BUREAU OF MEDICAL EDUCATION AND LICENSURE: For the purpose of carrying out and enforcing the provisions of this Act, there shall be established in this commonwealth a Bureau of Medical Education and Licensure, to be attached to the department of public instruction. The said bureau shall consist of seven members, two of whom—the superintendent of public instruction and the commissioner of health—shall be ex officio members thereof; the five remaining members shall be appointed by the governor of the commonwealth, who shall appoint the same on or before Sept. 1, 1911. The said five members, so appointed, shall be selected from the at present legally incorporated state medical societies of the state of Pennsylvania; namely, one from the Medical Society of the State of Pennsylvania, one from the Homeopathic Medical Society of the State of Pennsylvania, and one from the Eclectic Medical Society of the State of Pennsylvania; and who, at the time of their appointment are licensed and qualified under the existing laws of this commonwealth to practice medicine and surgery, and who will have practiced the same in this commonwealth for a period of not less than ten years prior to their respective appointments; and provided, that the two remaining members shall not be of the same school or system of practice. Two members of the bureau first appointed under this Act shall serve for one year, two for two years, and one for three years, after which the successor of each member shall be appointed for the term of three years; but no member of said bureau shall be a member of the faculty of any undergraduate school, college or university teaching medicine and surgery. The governor shall furnish each person appointed with a certificate of appointment, under the seal of this commonwealth. He shall fill all vacancies caused by death, resignation or otherwise, and shall have the power to remove any appointed member of the said bureau for continued neglect of the duties which he may be required to perform as a member of the bureau, or for any unprofessional or dishonorable conduct upon receiving proper proof of the same. Appointments to fill vacancies occurring through death, resignation or otherwise, shall be for the unexpired term of the deceased or retiring member.

Sec. 3. TITLE OF THE BUREAU: Said bureau shall be known by the name and title of "The Bureau of Medical Education and Licensure of the Department of Public Instruction" of the commonwealth of Pennsylvania, and shall effect its organization immediately after the appointment of its members by the governor. It shall be the duty of the bureau to enforce all the requirements of this Act. In case of violation of the provisions of this Act procedure shall be through either the office of the attorney-general of the state of Pennsylvania, or by special attorney, or both, at the discretion of the bureau.

At the first meeting held for the purpose of organization it shall elect from its membership a president and a secretary, who shall also be treasurer; and it shall have authority to make rules and regulations for the transaction of its business, and for registration of all physicians of this commonwealth, and for conducting examinations of applicants; said rules to be printed and published in pamphlet form for public distribution. Proper publication thereof shall also be made, after their adoption, in such newspapers in Philadelphia, Pittsburgh and Harrisburg as may be designated by the bureau, once a week for three weeks. Five members shall constitute a quorum, except for the consideration of the revocation or the suspension of a license or the determination of the fitness of any college to render eligible its graduates for licensure, or the refusal to grant license, when the unanimous consent of all seven members shall be necessary.

Sec. 4. STANDARD OF MEDICAL EDUCATIONAL INSTITUTIONS: It shall be the duty of the bureau, annually, to ascertain the character of the instruction and the facilities possessed by each of the various medical educational institutions chartered under the laws of this commonwealth, for the teaching of the various departments of medicines, in accordance with the requirements of this Act, and make report of the same at each annual meeting of the bureau. Any medical institution chartered by this commonwealth and empowered to confer the degree in medicine, that shall be unanimously adjudged by the bureau as failing to provide the proper facilities, as maintaining a lower minimum standard than that required under the provisions of this Act, said minimum standard being, in addition to a general preliminary education of not less than a standard four years' high school course, or its equivalent, not less than one year of college credits in chemistry, biology and physics, all of which shall have been acquired prior to entering a medical school, and a graded medical and surgical course of four years, each of which shall be of not less than thirty-two weeks, of not less than thirty-five hours each week, of actual work in didactic, laboratory and clinical study in different calendar years—shall be duly notified of the same in writing, signed by the secretary of the bureau. Failure to conform to the authorized standard, after such notification, shall render graduates of said institutions ineligible for licensure until such time as the instruction and course are made to conform to the standard adopted as herein provided.

Sec. 5. QUALIFICATIONS OF APPLICANTS: Applicants for licensure under the provisions of this Act shall furnish prior to any examination by the said bureau satisfactory proof that he or she is 21 years of age, is of good moral character, is not addicted to the intemperate use of alcohol or narcotic drugs, and has had a general education of not less than a standard four years' high school course or its equivalent and not less than one year of college credits in chemistry, biology and physics, all of which have been received before admission to medical study, and have attended four graded courses of not less than thirty-two weeks of not less than thirty-five hours each of actual work in didactic, laboratory and clinical study in different calendar years in some reputable and legally incorporated medical school or college or colleges recognized as such by the Bureau of Medical Education and Licensure of the state of Pennsylvania, the dean or proper officer of which college having certified that the applicant has successfully passed each of said respective courses and shall have completed not less than a year as intern in an approved hospital which shall have at least twenty-five beds to each intern devoted to the treatment of medical, surgical, gynecological and special diseases; shall maintain or establish cooperation with a maternity department or hospital in which each intern shall have not less than six weeks' service or the equivalent thereof, during which time he shall have attended or participated in the attendance upon not less than six confinements; shall maintain a thoroughly equipped modern pathological and clinical

laboratory proportionate to the necessities of the hospital, and the records on file of the cases treated in said hospitals shall give evidence of the laboratory work so done by the intern; shall maintain a department of anesthesia consisting of one or more anesthetists who shall have supervision over all of the anesthesia given in the institution and whose duty it shall be to instruct all interns in the administration of anesthetics; and, in the case of applicants of acceptable age and otherwise acceptable to the federal government, shall have received an approved three months' field course and service in military medicine. Nothing in this Act, however, shll be construed as applying to hospitals employing on salary graduate interns whose service is confined exclusively to the said institution. A school or college to be reputable under the meaning of this Act must conform to the standard required in Section 3 of this Act.

FROM FOREIGN COUNTRIES: Applicants from countries foreign to the territory of the United States, who desire to be licensed by said bureau, shall, before examination, furnish similar proof as to age, moral character, use of alcohol and narcotics; and shall present a certificate or diploma indicating the completion of a preliminary and medical and surgical education equivalent to the above. Each application to the said bureau, for examination or licensure, shall have attached thereto the affidavit or affirmation of the applicant as to its verity. Any applicant stating any fact in his application which shall thereafter be proven to be false shall be deemed guilty of perjury, and on conviction shall be subject to its penalties.

Sec. 6. STATED MEETINGS; EXAMINATIONS; ELIGIBILITY: The Bureau of Medical Education and Licensure shall hold two stated meetings each year at Harrisburg for the transaction of its business, shall hold at least two examinations each year and shall hold special meetings at its discretion upon giving due notice thereof. The examinations conducted by the said bureau shall be written in the English language, but may at its discretion be by oral or practical laboratory or bedside examinations, or both. For the purpose of conducting such examinations, the bureau shall have the privilege of calling to its aid medical assistants. The examinations shall be held at such times and places as shall be designated by the Bureau of Medical Education and Licensure at their discretion. Such examinations shall include anatomy, physiology, chemistry as applied to medicine, hygiene and preventive medicine, pathology as applied to medicine, bacteriology, symptomatology, diagnosis, surgery, gynecology and obstetrics, medical jurisprudence and toxicology, practice, and materia medica and therapeutics, the examination in practice and materia medica and therapeutics to be conducted by the members of the bureau of the same school of medicine as the respective applicant.

Any applicant who presents satisfactory evidence as to age, preliminary education and good moral character, and proper credentials signed by the dean of and with the seal of a reputable and legally incorporated school or college of medicine, recognized as such by the Bureau of Medical Education and Licensure of the state of Pennsylvania, that he or she has completed at least two of the required four graded courses of training in said school of not less than thirty-two weeks of not less than thirty-five hours each week of actual work in didactic, laboratory and clinical study, and in two different calendar years, may be examined forthwith by the bureau at its discretion upon the subjects of descriptive anatomy, physiology and chemistry, and if such applicants are respectively shown to be proficient in such subjects, they may be exempted from further examination in said subjects at the final examination. In case of failure at any partial examinations thus given at the end of the second course in a medical school or college, the candidate shall not then be examined in the subjects of descriptive anatomy, physiology and chemistry or in any one or more of the subjects in which he may have failed until the completion of the required course of study; but such candidate shall be admitted to the final examination given in this state, provided, he or she produces sufficient evidence of continuing good moral character.

In case of failure at any final examination, the applicant shall have after the expiration of six months, and within two years the privilege of a second examination by the bureau without the payment of an additional fee. In case of failure in a second final examination the applicant must enter de novo, and only after a year of post-graduate study approved by the bureau, and qualify under the conditions obtaining at the time of this application. Applicants for a licensing certificate who have been examined and licensed by state boards of medical examiners, or state boards of health of other states which through reciprocity, similarly accredit the holders of licensing certificates from the Bureau of Medical Education and Licensure of this commonwealth to the full privileges of practice within their respective boundaries, or applicants with a medical degree from colleges in good standing with the Bureau of Medical Education and Licensure shall, on the payment of a fee of fifty dollars ($50) to the said bureau, and on filing in the office of the bureau a true and attested copy of said license certified by the president or secretary of such state boards of medical examiners or boards of health issuing the same, or medical degree of approved colleges, and showing also that the standards of requirements adopted by said state board of medical examiners or state boards of health, is equal to that provided for by the provisions of this Act, shall without further examination receive a licensing certificate conferring on the holder thereof all the rights and privileges accorded by this Act; provided, however, that such applicant has not previously failed at an examination in this commonwealth.

And further, it shall be the duty of said Bureau of Medical Education and Licensure at its discretion to examine any person pretending to a knowledge of any branch or branches of medicine or surgery for the purpose of establishing regulation and state licensure, for this purpose it shall be the duty of said bureau to establish such oversight of the instruction and teaching of the schools or colleges, or individuals so pretending if any such obtained as is provided for in this Act in the case of medical schools and colleges, and further, they shall conduct such limited examinations as are in their judgment necessary for the purpose of determining whether or not the applicant has a proper degree and knowledge of his or her subject, and of determining whether in other respects as provided for in this Act they are worthy of registration and state licensure. For the purpose of conducting such examinations, the bureau shall have the privilege of calling to its aid men or women of established reputation and known ability in the particular pursuit under consideration, and who shall be compensated for their services at the rate of not more than ten dollars ($10) per day, in addition to all incurred expenses. Reciprocity and other provisions as provided for in this Act in the case of doctors of medicine and surgery may be established at the discretion of the bureau for these limited practitioners.

Upon the requisite degree of knowledge and the moral character of the applicant being established, as above provided for, and on payment of a fee of twenty-five dollars ($25) the Bureau of Medical Education and Licensure of the Department of Public Instruction shall forthwith issue a state certificate to the applicant limited to the practice of his or her pursuit in this state, this fact being plainly stated across the face of the certificate. Such a system of special licensure being once established it shall thereafter be unlawful for any person or persons to practice said system in this state without the said state certificate, which certificate shall be revocable by the Bureau of Medical Education and Licensure on proof of violation of the rules and regulations of said bureau, and on proof of violation of this provision of this Act, the holders of said certificate shall be liable to all the penalties provided for in Section 1 of this Act in case of doctors of medicine and surgery. A record of all persons so licensed shall be kept in the archives of the department of public instruction and shall have the standing before the law of any other license issued by the Bureau of Medical Education and Licensure. For the purpose of determining the verity of credentials and applications, conducting examinations or discovering fraud or dishonesty, the secretary of the bureau or, in his absence, any member thereof, shall have the right to administer oaths or any form of obligation required by law.

Sec. 7. LICENSURE; REGISTRATION; EXEMPTIONS: All persons who have complied with the requirements of the rules and regulations of the bureau, and who shall have passed a final examination, and who have otherwise complied with the provisions of this Act, shall receive from said bureau, under its seal, a licensing certificate entitling them to the right to practice medicine and surgery, or special branches of medicine and surgery, as provided for in Section 6, in this commonwealth; which said license certificate shall be duly registered in the office of the superintendent of public instruction of this commonwealth in a record book to be properly kept for that purpose, and which shall be open to public inspection; and a certified copy of said record shall be received as evidence in all courts in this commonwealth in the trial of any case; provided, that this section, relating to certificates to practice medicine and surgery, shall not apply to officers in the regular medical service of the United States Army and Navy, or the United States Public Health and Marine Hospital Service, while in the discharge of their official duties or to any one who may be a duly registered practitioner of medicine in any other state or commonwealth, who may be called upon by a registered physician of this commonwealth to consult with him in a case under treatment; or any one while actually serving as a member of the resident medical or surgical staff of any legally incorporated or state hospital; and provided further, that any duly registered practitioner of medicine residing in any state near the boundary line between said state and this commonwealth, whose practice extends into this state, shall have the right to practice in this commonwealth, at the discretion of the bureau; provided, he files with the secretary of the Bureau of Medical Education and Licensure of this commonwealth a certified copy of his registration in the state where he resides; and provided that the board of examiners of the adjoining state reciprocate by extending the same privilege to practitioners of medicine and surgery in this commonwealth; in which case he shall receive from the secretary of the bureau created by this Act a licensing certificate, issued by the said bureau, but which shall be automatically revoked if he changes his residence or office of practice.

Sec. 8. FEES: Said Bureau of Medical Education and Licensure shall have the power to charge a fee for all examinations that may be made by them and which shall not exceed the sum of twenty-five dollars ($25) for the collective or total examination of any applicant, except as provided for in Section 6. They shall adopt a seal; and shall have an office at Harrisburg, for the purpose of holding examinations, and where all their permanent records shall be kept, open to public inspection. For that purpose they shall have the power to make requisition upon the proper state officials for office rooms and supplies, including stationery and furniture. All the printing and binding necessary for the work of the said bureau shall be done by the state printer, upon an order issued by the said bureau to the superintendent of public printing and binding, certified to by the secretary of said bureau.

Sec. 9. DISPOSITON OF FEES: All fees that may be received by said bureau, from examinations or any other source, shall

be paid over to the treasurer of the Bureau of Medical Education and Licensure, at least once in each six months, on a proper audit being made thereof by the auditor general of this commonwealth, excepting such as are derived from practitioners of a branch of medicine and surgery, as provided for in Section 6; in which case the fees are to be utilized in conducting the regulations of the particular branch paying the fee, and the surplus is to be turned over to the state treasurer as provided above; and that the treasurer of said bureau shall give a bond to the commonwealth of Pennsylvania, in the sum of five thousand dollars ($5,000), for the faithful performance of his duties; said bond to be approved by the Bureau of Medical Education and Licensure and the attorney general of this commonwealth, who shall be custodian of the same.

Sec. 10. SALARIES; EXPENSES: Each appointed member of the said bureau shall receive an annual salary of one thousand five hundred dollars ($1,500), and the superintendent of public instruction and the commissioner of health five hundred dollars ($500) each, and the secretary and treasurer an additional five hundred dollars ($500), in addition to the necessary traveling expenses properly incurred and certified to by the secretary of the said bureau.

Sec. 11. APPROPRIATION: For the payment of said salaries and expenses, and for other incidental expenses, including rent, clerical services, stenographer, and typewriting, and any other assistance that may be necessary for carrying into effect the provisions of this Act, the sum of twenty-five thousand dollars ($25,000), or so much thereof as may be necessary, is hereby appropriated for the two fiscal years commencing June 1, one thousand nine hundred and thirteen. All accounts of said bureau shall be audited by the auditor general of this commonwealth; and, when proper warrants for the payment of the same shall be issued, drawn on the state treasurer.

Sec. 12. REFUSAL AND REVOKING OF LICENSE: The Bureau of Medical Education and Licensure shall refuse to grant a license to practice medicine and surgery to an applicant upon the presentation to said Bureau of Medical Education and Licensure of a court record showing the conviction, in due course of law, of said person for producing, or aiding or abetting in producing, a criminal abortion or miscarriage by any means whatsoever; and further, the Bureau of Medical Education and Licensure, upon such evidence and proof shall cause the name of any physician licensed to practice medicine and surgery in the commonwealth of Pennsylvania to be removed from the record in the office of the superintendent of public instruction.

The Bureau of Medical Education and Licensure may refuse, revoke, or suspend the right to practice medicine and surgery in this state for any or all of the following reasons, to wit: The conviction of a crime involving moral turpitude, habitual intemperance in the use of ardent spirits or stimulants, narcotics, or any other substance which impairs intellect and judgment to such an extent as to incapacitate for the performance of professional duties.

Any person who is licensed to practice medicine and surgery, or any of its branches, in the commonwealth of Pennsylvania, or who is an applicant for examination for licensure to practice medicine and surgery in this state, against whom are preferred any of the foregoing charges for causing the revocation or suspension of license, or for causing refusal of the right to be examined for licensure, shall be furnished by the Bureau of Medical Education and Licensure with a copy of the complaint; and shall have a hearing before the bureau, or by attorney, and witnesses may be examined by said bureau respecting the guilt or innocence of said accused. The suspension of license of any person licensed to practice medicine and surgery shall be removed when said narcotic or vicious habit, hereinbefore specified, shall have been adjudged by the said bureau to be cured or overcome, and said suspended licentiate deemed capable of practicing his or her profession.

Sec. 13. EXEMPTIONS: The provisions of this Act shall not apply either directly or indirectly, by intent or purpose, to affect the practice of pharmacy as authorized by the act approved May twenty-fourth, one thousand eight hundred and eighty-seven, entitled "An Act to regulate the practice of pharmacy and sale of poisons, and prevent adulterations in drugs and medicinal preparations in the state of Pennsylvania," or the several amendments thereto; nor to affect the practice of dentistry as authorized by the act approved July ninth, one thousand eight hundred and ninety-seven, entitled "An Act to establish a Dental Council and a State Board of Dental Examiners; to define the powers and duties of said Dental Council and said State Board of Dental Examiners; to provide for the examination and licensing of practitioners of dentistry, and to further regulate the practice of dentistry," or the several amendments thereto; nor to affect the practice of osteopathy as authorized by the act approved March nineteenth, one thousand nine hundred and nine, entitled "An Act to regulate the practice of osteopathy in the state of Pennsylvania; to provide for the establishment of a State Board of Osteopathic Examiners; to define the powers and duties of said Board of Osteopathic Examiners; to provide for the examining and licensing of osteopaths in this state, and to provide penalties for the violation of this Act," nor shall this Act be so construed as to give to the Bureau of Medical Education and Licensure any jurisdiction over any of the schools or colleges of the methods herein exempted.

Sec. 14. PREVIOUS LAWS REPEALED: The following acts of assembly and parts of acts, namely:

"An Act to protect the people of the commonwealth against incompetent practitioners of medicine and surgery and obstetrics," approved the twenty-fourth day of March, one thousand eight hundred and seventy-seven (Pamphlet Laws, 1877, p. 42);

"An Act entitled 'An Act to provide for the registration of all practitioners of medicine and surgery,'" approved the eighth day of June, one thousand eight hundred and eighty-one (Pamphlet Laws, 1881, p. 72);

"An Act to establish a Medical Council and three State Boards of Medical Examiners; to define the powers and duties of Medical Council and said Board of Medical Examiners; to provide for the examination and licensing of practitioners of medicine and surgery; to further regulate the practice of medicine and surgery; and to make the appropriation for medical councils," approved the eighteenth day of May, one thousand eight hundred and ninety-three (Pamphlet Laws, 1893, p. 94);

"An Act to amend the fourth section of an Act entitled 'An Act to protect the people of the commonwealth against incompetent practitioners of medicine, surgery and obstetrics,' approved the twenty-fourth day of March, one thousand eight hundred and seventy-seven, passed July twelth, one thousand eight hundred and ninety-seven (Pamphlet Laws, 258):

"An Act of the twenty-seventh day of April, one thousand nine hundred and nine (Pamphlet Laws, 251), being an Act entitled 'An Act to amend Section 13 of the Act of May 18, 1893,' of an Act entitled 'An Act to establish a Medical Council and three State Boards of Medical Examiners; to define the powers and duties of said Medical Council and said State Boards of Medical Examiners; to provide for the examination and licensing of practitioners of medicine and surgery; to further regulate the practice of medicine and surgery; and to make an appropriation for the Medical Council," providing that applicants for license to practice medicine shall furnish proof that they have obtained a competent education, covering not less than four years' high school course, or its equivalent; are hereby repealed.

All other acts or parts of acts, general, special, or local, pertaining to the subject matter covered by this Act and inconsistent herewith, be and the same are hereby repealed; it being intended that this Act shall furnish a complete and exclusive system in itself so far as relates to the right to practice medicine and surgery in the commonwealth of Pennsylvania.

Sec. 15. WHEN IN FORCE: This Act shall take effect and be in full force on and after January first, one thousand nine hundred and twelve, except in so far as the same relates to the appointment by the governor of the members of the board.

Approved June 3, 1911.

OBSTETRICS—MIDWIFERY

An Act

To provide for the better protection of the lives, bodies and health of new-born children and parturient women throughout the commonwealth by regulating the practice of midwifery as performed by midwives in the state of Pennsylvania, and to provide that the Bureau of Medical Education and licensure of the state of Pennsylvania shall enforce the provisions of this Act, making an appropriation therefor and providing certain penalties for the violation of the provisions thereof, and repealing all acts and parts of acts incompatible herewith.

Whereas, The lives of many women and children are needlessly sacrificed in childbirth, and the vision of many new-born children is seriously injured or totally destroyed through the ignorance and incompetency of persons engaged in the practice of widwifery; and

Whereas, An act of assembly attempting to regulate such matters was approved on June 14, 1911, but was defective; therefore,

Section 1. LEGAL PRACTITIONERS: Be it enacted by the senate and house of representatives of the commonwealth of Pennsylvania in general assembly met and it is hereby enacted by the authority of the same, That from and after six months after the date of the passage of this Act, it shall be unlawful for any person except a duly licensed physician to practice midwifery in this state before receiving a certificate from the Bureau of Medical Education and Licensure of the state of Pennsylvania to do so, and having said certificate registered in the office of the prothonotary of the county in which the holder desires to practice midwifery.

Sec. 2. RULES AND REGULATIONS: The Bureau of Medical Education and Licensure shall formulate and issue such rules and regulations from time to time as may be necessary for the proper conduct of the practice of midwifery by midwives. Said bureau shall issue certificates to midwives by the bureau, which certificates shall be revocable by the bureau on proof of violation of any of its rules and regulations. The said bureau may refuse to grant a certificate to any person addicted to the use of alcohol or narcotic drugs or who may have been guilty of a crime involving moral turpitude.

Sec. 3. FEES: Each and every applicant for a certificate to practice midwifery shall pay to the said Bureau of Medical Education and Licensure the sum of ten dollars ($10) at the time of making such application.

Sec 4. DISPOSAL OF FEES: All fees that may be received by said bureau from examination or any other source shall be paid over to the treasurer of this commonwealth by the treasurer of the Bureau of Medical Education and Licensure each six months on a proper audit being made thereof by the auditor general of this commonwealth.

Sec. 5. SALARIES: The secretary of the Bureau of Medical Education and Licensure of the state of Pennsylvania shall receive an annual salary not to exceed three hundred dollars ($300) for his services in carry-

ing out the provisions of this Act. The service of other necessary aids in carrying out the provisions of this Act shall receive compensation not to exceed ten dollars ($10) per diem and necessary traveling expenses.

Sec. 6. ILLEGAL PRACTITIONER; PENALTIES: Any person practicing midwifery as a profession or advertising herself as a midwife without first obtaining the certificate aforesaid, shall be deemed guilty of a misdemeanor, and upon first conviction shall be punished by a fine of not less than ten dollars ($10) nor more than fifty dollars ($50), or by imprisonment in the county jail not less than ten (10) days nor more than sixty (60) days, or both fine and imprisonment, at the discretion of the court. On a second conviction both fine and imprisonment shall be imposed.

Sec. 7. DEFINING PRACTICE: Any person other than a regularly licensed physician who shall attend a woman in childbirth for hire or who shall make a practice of attending women in childbirth gratuitously or for hire shall be regarded as midwife within the meaning of this Act, provided, that nothing in this section shall be construed to prevent any one licensed under the Medical Act approved June 3, 1911, from practicing midwifery, nor to prohibit a student of medicine matriculated at and in attendance at a legally incorporated medical school or college recognized and approved by the Bureau of Medical Education and Licensure from practicing obstetrics under the supervision of the faculty of the medical school or college in which he is a duly registered student.

Sec. 8. APPROPRIATION: The sum of fifteen thousand dollars ($15,000), or so much thereof as may be necessary, is hereby appropriated for two fiscal years commencing June 1, 1913, to provide for the necessary expenditures in carrying out the provisions of this Act. All accounts of said bureau shall be audited by the auditor general of this commonwealth and when proper warrants for the payment of the same shall be issued, drawn upon the state treasurer.

Sec. 9. All other acts or parts of acts general, special or local, pertaining to this subject matter covered by this Act and inconsistent herewith, be and the same are hereby repealed.

STATE DEPARTMENT OF HEALTH

Edward Martin, Commissioner of Health; John D. McLean, Deputy Commissioner; James F. McCoy, Executive Secretary; W. R. Batt, State Registrar.

Divisions:

Accounts—Clinton T. Williams, Chief.
Child Health—Ellen C. Potter, Chief.
Drug Control—Thomas S. Blair, Chief.
Engineering—C. A. Emerson, Jr., Chief.
Genito-Urinary—Maj. S. Leon Gans, Chief.
Laboratories—John L. Laird, Chief.
